Boy Gets Girl:

Boy Gets Girl Rebecca Gilman,2000-05-29 A play depicts the dilemma of a New York City magazine reporter when she has a blind date with the friend of a friend and the man continues to stalk her as her first annoyance turns into anger and fear

Boy Gets Girl Rebecca Gilman,2011-04-01 What is a stalker And what kind of life can a woman lead when she knows she is being followed obsessively and perhaps dangerously by one This is the dilemma facing Theresa Bedell a reporter in New York in Rebecca Gilman s tensely fascinating new play When Theresa goes on an awkward blind date with a friend of a friend she sees no reason to continue the relationship but the man an attractive fellow named Tony thinks otherwise While Theresa is at first annoyed yet flattered by his continuing attention her attitude gradually changes to one of fear and fury when he starts violently to menace her and those around her In brilliantly delineating the kind of terror a woman in full control of her life feels when everything around her suddenly seems to be a threat Gilman probes the dark side of relationships in the 1990s with the rich insight and compelling characterizations that have distinguished her earlier plays and made her one of the most exciting young playwrights working today
