Brave Black Regiment:

A Brave Black Regiment Luis F. Emilio, 2017-05-31 Following huge losses of forces at Fredericksburg and Vicksburg President Abraham Lincoln authorized the recruitment of black soldiers to the Union army Beginning recruitment in 1863 the 54th Massachusetts Infantry Regiment was to become the first black regiment recruited from free men north of the Mississippi River It was decided that the black regiment would have white officers and the Governor of Massachusetts John A Andrews appointed abolitionist Robert Gould Shaw as colonel Among the white officers appointed was Luis F Emilio whose first hand history of the 54th Massachusetts Regiment is an important addition to African American history In May 1863 the 54th Regiment left the north and traveled to South Carolina where they began their task of not only defending the Union but proving to many factions of society their equality Being one of the first black regiments was not easy and the 54th doubtlessly faced an even more difficult struggle than the majority of Union soldiers In spite of pay disputes menial work exercises and a greater threat of danger from the South the 54th Regiment proved itself to be more than equal to the white Union regiments The regiment is perhaps best known for its part of the Second Battle of Fort Wagner on July 18 1863 Despite suffering huge losses of life including that of Colonel Shaw the regiment showed itself to be unceasingly brave in the face of defeat and was commended for its part in the battle Including many primary sources a detailed account of the regiment s tactics in battle and an extensive appendix of soldiers in the 54th Captain Emilio s **A Brave Black Regiment** is an invaluable resource for those interested in the role of African Americans in the Civil War Luis Fenellosa Emilio born December 22 1844 served in the United States army from 1861 aged just 16 He joined the 54th Massachusetts Regiment in 1863 and became Captain of Company E becoming Acting Commander for the regiment following huge losses at Fort Wagner He retired from the U S army in 1865 and first published **A Brave Black Regiment** in 1891 He died in New York in 1918

A Brave Black Regiment Luis Fenellosa Emilio, 1991-12 Bantam s Eyewitness to the Civil War series continues with this basis for the film *Glory* They were the 54th Massachusetts the first black regiment raised in the North and Luis Emilio was their idealistic young captain Emilio chronicles the group s participation in the Civil War Step back photo battle scene

A Brave Black Regiment Luis F. Emilio, 2017-08-10 In January 1863 the Union War Department authorized the creation of a special corps composed of persons of African descent the 54th Massachusetts Volunteer Infantry commanded by Col Robert Gould Shaw Hundreds of free blacks enlisted When the 54th Massachusetts spearheaded the suicidal charge against Fort Wagner on July 18 1863 the regiment was showered with acclaim but that defining event was not its only illustrious moment After the devastating repulse at Fort Wagner left all of the unit s ranking officers dead or wounded Captain Luis Fenellosa Emilio 1844 1918 emerged as the 54th s acting commander

A Brave Black Regiment Luis Fenellosa Emilio, 1992 **The Flag Never Touched the Ground** Kekla Magoon, 2022-09-27 The story of an all black regiment s assault on the impregnable Fort Wagner in the Civil War an act of extraordinary courage that changed hearts and minds in America for ever THE AMERICAN

CIVIL WAR 1863 On a cold beach in South Carolina the soldiers of the 54th Massachusetts Regiment are marching into battle Their mission to capture the impregnable Fort Wagner The odds are heavily against them and the stakes could not be higher they are one of the first all Black regiments in the Union Army and all of America is watching them Among their ranks is William Harvey Carney A former enslaved man who escaped to the North he knows what a precious thing freedom is So when the bugle sounds and the regimental flag is hoisted high William charges towards the guns *A Brave Black Regiment* Luis Emilio,2014-04-07 From the Stonewall Brigade to the Iron Brigade Americans have long been fascinated by the Civil War s most famous and legendary units and many are familiar with the 20th Maine s defense of Little Round Top at the Battle of Gettysburg But ironically perhaps the most famous regiment of the entire war today is the 54th Massachusetts which was one of the first and ultimately the best known regiment that consisted of black soldiers Like most black soldiers the 54th received discriminatory treatment from the Army as white men on both sides were wary of trusting black soldiers in heavy combat situations despite the fact that the 54th acquitted itself well in a nearly suicidal attack at Fort Wagner As a result the 54th fought in several battles of lesser note and they might have faded into obscurity if not for the critically acclaimed movie *Glory* which looked at the lives of its commander Colonel Robert Gould Shaw and its soldiers Ironically though it was unknown at the time of the movie one of the soldiers in the regiment told his captors he had fought for glory The movie made the 54th famous and those who are familiar with the regiment are also familiar with its attack on Fort Wagner but the story of its creation and its entire service during the Civil War is remarkable from start to finish The brainchild of abolitionists and the product of a stalled war effort the 54th was just one of many regiments of black soldiers who fought during the Civil War and to a large degree it has become representative of the service and sacrifice of black soldiers on behalf of both their country and their civil rights Luis F Emilio was born on December 22 1844 Only 16 when the Civil War broke out he lied and said he was 18 allowing him to enlist in Company F of the 23rd Massachusetts Volunteer Infantry He moved up the ranks and was promoted to Sergeant by September 1862 Shortly after the Battle of Antietam that same month President Lincoln ordered the Emancipation Proclamation Moreover the Union was beginning the process of enlisting blacks to fight One of the black regiments being trained was the 54th Massachusetts and Emilio was among the group of original officers of the 54th selected Emilio became the Captain of Company E of the regiment but after the 54th Massachusetts first action at the Battle of Fort Wagner on July 18 1863 Emilio became the regiment s acting commander since Robert Gould Shaw and so many other officers were killed during the daring assault Emilio continued to fight with the 54th until nearly the end of the war In the mid 1880s Emilio began writing his own account of the 54th Massachusetts during the war and the first edition of *A Brave Black Regiment* was published in 1891 **The Brave Black Regiment** U S Army Command and General Staff Coll,U.
