most important messages to a form of communication that doesn't build trust, provide differentiation or communicate clearly enough. It's easy to point to the sheer volume of emails, text messages, voicemails, and even social messaging as the problem that reduces our reply rates and diminishes our effectiveness. But the faceless nature of that communication is also to blame. Rehumanize Your Business explains how to dramatically improve relationships and results with your customers, prospects, employees, and recruits by adding personal videos to emails, text messages, and social messages. It explains the what, why, and how behind this new movement toward simple, authentic videos and when to replace some of your plain typed-out communication with webcam and smartphone recordings. Restore face-to-face communication for clarity and connection. Add a personal human touch to your emails and other messages. Meet people who've sent thousands of videos. Learn to implement your own video habit in an easy, time-saving way. Boost your replies, appointments, conversion, referrals, and results dramatically. If you're ready to influence, teach, sell, or serve in a more personal way, Rehumanize Your Business is your guide.

Envisioning the Future of Education Through Design Ronghuai Huang, Dejian Liu, Michael Agyemang

Adarkwah, Huanhuan Wang, Boulus Shehata, 2024-04-10. This book identifies the educational problems and issues that could be solved by design and discusses how to overcome these challenges by adopting a design thinking approach. The chapters cover topics such as opportunities and challenges for the futures of education, the emerging models of design thinking for education, learning activity design, educational design for learning with special needs, designing learning spaces of the future, designing the classroom of the future, the design of authentic learning, and design of elderly education. It aims to assist educators and various stakeholders, e.g., administrators, practitioners, researchers, teachers, and students in the educational field to realize the importance of design in education and enables them to use design and design thinking to overcome the educational challenges to achieve sustainable development.

Social Media Analytics: Effective Tools for Building, Interpreting, and Using Metrics Marshall Sponder, 2011-07-19. Align Strategy With Metrics Using Social Monitoring Best Practices. Two or three years from now, every public relations firm that wants to be taken seriously in the C-suite and/or a lead marketing role will have someone like Marshall in its senior leadership ranks: a chief analytics officer responsible for ensuring that account leaders think more deeply about analytics and that the firm works with the best available outside suppliers to integrate analytics appropriately. Paul Holmes, The Holmes Report. Marshall has provided much-needed discipline to our newest marketing frontier, a territory full of outlaws, medicine men, dot-com tumbleweeds, and snake oil. Ryan Rasmussen, VP Research, Zcalo Group. Marshall Sponder stands apart from the crowd with this work. His case study approach, borne of real-world experience, provides the expert and the amateur alike with bibliography, tools, links, and examples to shortcut the path to bedrock successes. This is a reference work for anyone who wants to explore the potential of social networks. W. Reid Cornwell, Ph.D., Chief Scientist, The Center for Internet Research. Marshall is a solutions design genius of unparalleled knowledge and acumen, and when he applies himself to the business of social media, the result is a timely and
