Deborah Sampson

History Project (Boston, Mass.)

Deborah Sampson:

The Secret Soldier Ann McGovern, 1990 Deborah Sampson wanted to travel and have adventures but since she had no money the best way to do that was to join the army This is the exciting true story of a woman who became a soldier during the American Revolutionary War by dressing and acting like a man *The Female Review: Or, Memoirs of an American Young Lady (Deborah Sampson), Whose Life and Character are Peculiarly Distinguished, Being a Continental Soldier for Nearly Three Years, in the Late American War. ... With an Appendix. ... By a Citizen of Massachusetts [Herman Mann].* afterwards GANNETT SAMPSON (Deborah), 1797 **Deborah Sampson** Rick Burke, 2003-01-01 A biography of a young woman who disguised as a man served in the army during the American Revolution **Cloaked in Courage** Beth Anderson, 2022-11-15 The remarkable story of Deborah Sampson a woman who fought in the American Revolution disguised as a man and who ends up finding her true identity and purpose in life Deborah Sampson didn't like being told what to do especially by the King of England Fiercely independent 18 year old Deborah enlists as Robert Shurtliff in George Washington's Continental Army to fight for her country's independence But being a soldier is hard dangerous work Can she fight for her country and keep her identity a secret Can she also discover who she really is and find her true purpose This unbelievable story from American history about a woman with a rebel spirit will inspire and enlighten young readers Cloaked in Courage is inspiring storytelling centering the life and actions of a brave woman and soldier Deborah Sampson Anderson's contribution brings to light a lesser known hero in history and emphasizes the importance of historical investigation and research Lori Ann Terjesen director of education National Women's History Museum **Masquerade** Alfred F. Young, 2005-03-08 In Masquerade Alfred F Young scrapes through layers of fiction and myth to uncover the story of Deborah Sampson a Massachusetts woman who passed as a man and fought as a soldier for seventeen months toward the end of the American Revolution Deborah Sampson was not the only woman to pose as a male and fight in the war but she was certainly one of the most successful and celebrated She managed to fight in combat and earn the respect of her officers and peers and in later years she toured the country lecturing about her experiences and was partially successful in obtaining veterans benefits Her full story however was buried underneath exaggeration and myth some of which she may have created herself becoming another sort of masquerade Young takes the reader with him through his painstaking efforts to reveal the real Deborah Sampson in a work of history that is as spellbinding as the best detective fiction **The Female Review** John Adams Vinton, Herman Mann, 2017-08-31 The Female Review Life of Deborah Sampson is an unchanged high quality reprint of the original edition of 1866 Hansebooks is editor of the literature on different topic areas such as research and science travel and expeditions cooking and nutrition medicine and other genres As a publisher we focus on the preservation of historical literature Many works of historical writers and scientists are available today as antiques only Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future

Deborah Sampson, Soldier of the Revolution Harold W. Felton, 1976-01-01 Biography of Deborah Sampson Gannett a young woman who disguised as a man served in the army during the American Revolution **America's First Woman Warrior** Lucy Freeman, Alma Halbert Bond, 1992 Biography of Deborah Sampson the only woman soldier to fight in the American Revolutionary War **Deborah Sampson** Marilyn Gilbert Komechak, 2012-08-22 Deborah Sampson a true hero of the American Revolutionary War is the only woman in early American history thought to serve as a soldier without being discovered Her patriotic zeal leads the young woman to disguise herself as a man and to enlist as a soldier in Washington's Continental Army At West Point her officers choose her for membership in an elite corps The Light Infantrymen The military action and episodes of Deborah's story are based on real events After the war Deborah became the first American woman to set out alone to tour as a speaker for compensation and the first to receive a full pension as a soldier for serving in the army The actions she took enabled her to live life by her own lights in a society that appeared hostile to the value of women for they had no legal rights Their voices and plight were ignored except for those whose husbands or fathers were more enlightened and compassionate Deborah's story shows that courage and bravery know no gender and calls us to empathy and to a wider vision of the world as we stand in someone else's shoes if only as reader Deborah's journey is one in which men women and children actively participated in the shaping of our nation and that physical spiritual and psychological freedoms are the right of both genders This is a look at the far past which in many ways is not so different from our modern era The struggle to individualize and to find a place where one can live and thrive is a challenge all of us have faced or are facing Each man woman and child must find within themselves the courage to stand up to live a life of integrity with the kind of grit tenacity and care for others that life requires Deborah's life is a testament to the difficulties of that challenge and of their resolution or at the least how to live well in spite of life's often unasked for trials and hardships Deborah Sampson Ed Beaulieu, Jr., 2014-03-19 This book was inspired by the Middleboro Early Childhood Center I volunteered to read to some youngsters and I wished to tell them the story of Middleboro's own heroine of the Revolutionary War At the time I could find no book that addressed this subject at their level It was suggested by one of the educators there that I write one I hope I have been able to fill the void *The Memoir of a Female Soldier* Jan Lewis Nelson, 2023-02-03 An historical novel based on the true story of Deborah Sampson a young woman from Massachusetts who disguised herself as a man and enlisted in the Continental Army during the Revolutionary War In this fictionalized memoir written in the first person she recounts her seventeen months in the Army and seeks to correct misinformation about her service and to overcome prejudice against her She won respect as the man she wasn't but now seeks respect for the woman she was *Secret Soldier* Ann McGovern, 1990-05 A brief biography of the woman who disguised herself as a man and joined the Continental Army during the Revolutionary War Improper Bostonians History Project (Boston, Mass.), 1998 Surprising fun and magnificently illustrated with two hundred images *Improper Bostonians* is the first book to depict Boston's three centuries of gay and

lesbian life and since it treats the American city with the longest gay and lesbian history the most comprehensive and meticulously researched gay city history ever written *Deborah Sampson* Laura Murray,2021 [Life of Deborah Sampson](#) Herman Mann,John Adams Vinton,1916 This volume is a reprinting of an edition originally published in 1797 and describes the life and war service of Deborah Sampson variously spelled Samson in other accounts She is one of only a handful of women known to have served with the Continental Army during the American Revolutionary War Sampson disguised herself as a man and enlisted under her deceased brother s name Robert Shurtlieff Sampson was also a friend of Paul Revere who assisted her in successfully petitioning for a military pension later in her life [The Female Review: Life of Deborah Sampson, the Female Soldier in the War of the Revolution \(1916\)](#) John Adams Vinton,2008-06 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *Faking It* Joseph K. Smith,2010-11 **I'm Deborah Sampson** Patricia Clapp,2020-09-29 This classic middle grade novel tells the extraordinary story of Deborah Sampson a woman who disguised herself as a man in order to enlist and fight in the American Revolution [Deborah Sampson Goes to War](#) Bryna Stevens,1984-01-01 A biography of the woman who served in the army during the Revolutionary War under the name Robert Shurtleff and who later lectured about her experiences **Deborah Sampson, Soldier of the Continental Army** Herman Mann,2012-08 A famous female soldier of the Revolutionary War There have been few notable women who have joined their nations colours to fight in its causes on the battlefield Fewer still have actually donned the uniform of a soldier and in the guise of men fought in the ranks Several nations have notable examples The English have their Mother Ross who fought as a dragoon during Marlborough s campaigns and there are several examples from both sides of the American Civil War Deborah Sampson also felt her nation s call in her case the emergent United States of America at the time when the young country rose to shake off the shackles of colonialism In 1778 aged just 18 years old young Deborah disguised herself in male attire and attempted to join the ranks of Washington s Continental Army Fearful she had been discovered she failed to report for duty but in 1782 under the name of her late brother Robert Shurtliff Sampson she finally achieved her objective She found herself posted to the distinctively uniformed ranks of the light company of the 4th Massachusetts Regiment Deborah fought in several skirmishes before her first battlefield engagement at Tarrytown during which she was wounded in the thigh and cut about the head Afraid of discovery she treated herself with penknife and twine Her gender was discovered in 1783 by a doctor who was treating her for a fever though he did not reveal his discovery Deborah Sampson s true identity was never formally acknowledged right up to the point she was honourably discharged in October 1783 This book was originally published under the title *The Female Review Life of Deborah Sampson the Female Soldier in the War of the Revolution* Leonaur editions are

newly typeset and are not facsimiles each title is available in softcover and hardback with dustjacket our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands

Eventually, you will enormously discover a further experience and achievement by spending more cash. still when? reach you agree to that you require to acquire those every needs in imitation of having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will lead you to comprehend even more with reference to the globe, experience, some places, considering history, amusement, and a lot more?

It is your completely own era to do its stuff reviewing habit. in the middle of guides you could enjoy now is **Deborah Sampson** below.
