

Roger Nichols
Debussy Remembered

"Superb source books."
Michael Kennedy, *Daily Telegraph*

Debussy Remembered

Kyung-Ae Lee

Debussy Remembered:

Debussy Remembered Roger Nichols, 1992 Amadeus An anthology of vivid and revealing memoirs Debussy Remembered includes recollections from a wide range of Debussy's friends, colleagues and acquaintances Debussy's Late Style Marianne Wheeldon, 2009 Debussy's Late Style explores Claude Debussy's musical responses to World War I. This period of composition encompasses the duration of the war and the last four years of Debussy's life. The works that emerged during this time reflect both wartime events and the composer's self-conscious desire to define his own musical legacy as he felt his life nearing its end. Debussy's complete wartime compositions comprise a small but significant body of works, some little known and some now acknowledged to be among the masterpieces of his career. These include the Berceuse h ro que En Blanc et noir, the Douze tudes, the No l des enfants qui n ont plus de maisons, and the three instrumental sonatas: the Cello Sonata, the Sonata for Flute, Viola and Harp, and the Violin Sonata. Through music analysis, musicology, and cultural history, this study offers interpretive readings of Debussy's late works, focusing in particular on how they reflect the unique cultural milieu of wartime Paris. The Cambridge Companion to Debussy Simon Trezise, 2003-06-19 Often considered the father of twentieth-century music, Debussy was a visionary whose influence is still felt. This book offers a wide-ranging series of essays on Debussy: the man, the musician, and the composer. It contains insights into his character, his relationship to his Parisian environment, and his musical works across all genres, with challenging views on the roles of nature and eroticism in his life and music. His music is considered through the characteristic themes of sonority, rhythm, tonality, and form, with closing chapters considering the performance and reception of his music in the first years of the new century and our view of Debussy today as a major force in Western culture. This comprehensive view of Debussy is written by a team of specialists for students and informed music lovers. **Claude Debussy's ^I Clair de Lune ^R** Gurminder Kaur Bhogal, 2018-07-02 Claude Debussy's Clair de Lune is the first book wholly dedicated to an historical, cultural, and analytical investigation of the French composer's famous composition for piano. Author Gurminder Kaur Bhogal explores why, over any other piece in Debussy's repertoire for piano, Clair de Lune achieved stardom in the decades following the composer's death and how, as the third movement of the Suite Bergamasque, it managed to almost fully eclipse the other movements. **Debussy's Resonance** François de Médicis, Steven Huebner, 2018 Some of Debussy's most beloved pieces, as well as lesser-known ones from his early years, set in a rich cultural context by leading experts from the English and French-speaking worlds. The music of Claude Debussy has always been widely beloved by listeners and performers alike, more perhaps than that of any of the other pioneers of musical modernism. However, rich in itself, his creative output also participated and continues to participate in a network of cultural connections, the scope and meaning of which can only be gleaned through multiple interpretive frameworks. Debussy's Resonance offers twenty new studies by some of the most active and respected English and French language scholars of French music. The book treats a large swath of the composer's music from previously unexplored m

odies of his early years to late pieces such as the ballet *Jeux* and the *Douze tudes* and takes into consideration the numerous contexts that helped shape the works and the different ways that musicologists and critics have explained them

Matthew Brown,2003 For well over a century musicologists have been fascinated by composers manuscripts and by the insights they might reveal about the nature of musical composition This book suggests ways in which Debussy s sketches and drafts may be used to explain how he composed one of his last great symphonic scores *Ib ria* from *Images* for orchestra 1903 Part 1 shows how we might understand the process of musical composition as a form of expert problem solving it describes the compositional history of the work the various intentional goals and historical constraints that guided Debussy s thinking and some of the technical problems Debussy faced while composing this remarkable score Part 2 reconstructs the genesis of each of the three movements in turn [Afternoon of a Faun](#) Harvey Lee Snyder,2015-09-01 Amadeus Claude

Debussy was the father of the modern era in classical music His innovations liberated Stravinsky Schoenberg and Bartok to write their iconoclastic works and his harmonic inventions are still heard in American jazz Though he was among the most compelling figures of the Belle Epoque his life is little known to all but scholars and of his considerable musical output only *Prelude to the Afternoon of a Faun* *La mer* and *Clair de lune* are widely known Harvey Lee Snyder addresses this cultural neglect by presenting the composer and his music without jargon or biographical trivia in a richly detailed accurate narrative that reads like a novel Here is the story of a poor unschooled Parisian boy swept by odd coincidences to the Paris Conservatory at age ten Here is a brilliant man struggling to invent a tonal language capable of expressing his unique musical vision finding inspiration not in Bach and Beethoven but in Mallarme s poetry and the paintings of Whistler and Turner a man determined to end two centuries of Germanic domination of European music Here is a reclusive gentle man whose misguided love affairs ended in scandal and scorn His hard work failed to end decades of poverty and debt but when he died in 1918 he was and has remained the foremost French composer of the twentieth century **A Comparative Study**

of Claude Debussy's Piano Music Scores and His Own Piano Playing of Selections from His Welte-Mignon Piano Roll Recordings of 1912 Kyung-Ae Lee,2001 [The Flutist Quarterly](#) ,2007 **Debussy's Mélisande** Gillian Opstad,2009 The colourful lives of the three divas who made Debussy s *M lisande* their own Debussy s *M lisande* examines the colourful lives of Georgette Leblanc Mary Garden and Maggie Teyte and their involvement with Debussy s *Pell as et M lisande* illustrating the prejudices and difficulties women singers of their era faced The three women presented here were not only remarkable for the resilience and initiative they had to develop but also for their willingness to adapt themselves to the

opportunities offered by the emerging technologies of recording radio and film It is also the story of the background to the opera's creation and the frequently stormy relationships between the author of the original play Maeterlinck the composer director conductor and performers This book will be of great interest to scholars and students of Debussy opera French music and theatre Maeterlinck and those interested in women's studies and biography Gillian Opstad read Modern Languages at Somerville College Oxford after which she taught for a number of years in Buckinghamshire and Bristol She has been actively involved with music both at university and since This her first book is a result of her particular interest in French music especially that of Debussy *The Gilbert & Sullivan Journal*, 1930 **The Life of Debussy** Roger Nichols, 1998-04-28 That great blue Sphinx Debussy called the sea Debussy himself was something of a Sphinx in the early 1890s he was thinking of founding a society for musical esotericism and although on the surface most of his music is instantly engaging and accessible at a deeper level run currents that are dangerous unpredictable destructive In this new biography Roger Nichols considers the life and music of this seminal figure charting the currents and the whirlpools in which other humans were sometimes unlucky enough to get caught Debussy's status is such that no modern composer has been able to ignore him asking as he does any number of riddles to which late twentieth century music is still searching answers

Debussy in Performance James R. Briscoe, 1999-01-01 Claude Debussy who composed works of major significance in a wide range of musical and theatrical genres has exerted a fundamental influence on musicians of the twentieth century This book explores how Debussy's compositions are brought to life in performance investigating the composer's own expectations the traditions surrounding the performance of his music and the internal and contextual evidence that can give insight to performers of his works Leading international scholars and interpreters of Debussy's music draw on his letters and music criticism as well as on the memoirs of performers close to him to discuss issues of performance forces tempo and its flexibility performer license and the interpretation of expressive indications in the scores They urge performers to recognize the symbolism and the value of silence in Debussy's work And they show that it is particularly important to focus on aspects of timbre voice leading and the musical arabesque together with meter and phrase ambiguities when playing his music The book also includes the translation of an article on the opera *Pelleas et Melisande* In performance by one of Debussy's original conductors Desire Emile Inghelbrecht and an interview with the composer conductor Pierre Boulez on approaches to *Pelleas* and the orchestral works *Programmes* Philadelphia Orchestra, 1923 *French Music of Today* Georges Jean-Aubry, 1919

The Oxford History of Western Music Richard Taruskin, 2010 A survey of the traditions of western music by one of the most prominent and provocative musicologists of our time this book illuminates through a representative sampling of masterworks those themes styles and currents that give shape and direction to each musical age **The Genesis of Debussy's *Pelléas Et Mélisande*** David A. Grayson, 1986 *The Oxford History of Western Music: Resources : chronology, bibliography, master index* Richard Taruskin, 2005 **The New Grove Dictionary of Music and Musicians** Stanley

Sadie, John Tyrrell, 2001

The Etude, 1914 A monthly journal for the musician the music student and all music lovers
