Deceiving The Soul:

Perfectionism; Or, The Higher Christian Life. An Unscriptural and Soul-deceiving Doctrine C. Hemington,1875

Toronto Blessing Charismatic Deception Volume 3 K B Napier,2019-07-31 In Volume 3 we enter into heavier arguments against the Toronto Blessing TB There is also a genuine testimony of a couple who were forced out of their church by the TB and the hatred it brought with it The second chapter compares the 1994 TB with what Evan Roberts said in 1904 showing a stunning similarity A warning is given to TB leaders from Jeremiah if they don t repent and two chapters deal with the lamentable lack of discernment in the EA leaders who personally harassed the author in 1994 Short chapters deal with Wimber Hinn the Kansas City Prophets William Branham Latter Rain and Pensacola We show how the TB is exactly the same as hypnotism and why we opposed the TB then and now in the form of charismaticism Be warned against false prophets Though the TB is dead and buried it continues its work in charismatic churches today [Removing the Veil of Deception](#)

Barbara Wentroble,2009-09-01 Sure unbelievers are susceptible to Satan s deceptions But are Christians being deceived as well Then answer all too often is yes Unknowingly many are swayed by scripturally unsound teaching as well as false prophecies and other unholy supernatural manifestations Using biblical and modern day examples Barbara Wentroble shows readers how to identify the subtle deceptions Satan employs to cloud the hearts and minds of believers In a straightforward informative way she explains how to biblically judge revelatory insight prophecies and manifestations how to protect your mind from deception the importance of accountability and healthy submission to a Christian leader how to find healing from past trauma that may leave you vulnerable to enemy attack how to break free from deception and much more Wentroble s seasoned insights will equip believers to become mature in Christ ready to fulfill God s purposes for their lives *Anatomy of Spirituality: Portrait of the Soul* Chander Behl,2015-04-27 The domain of spirituality separated from its theological overburden believes in the existence of a spiritual self presumed to be distinctly separate from the psychological self The spiritual eternal self also known as the soul or spirit sometimes supported by an overarching Spirit is asserted to be operating behind the ephemeral self This book takes a contrarian stance it argues that the premise of the soul concept is obtained through the magic of language maintained through the marvel of the brain s biochemistry and sustained through the mirage of the psychological juggernauts of the brain The magic the marvel and the mirage together bring about subtle shifts as the linguistic brain suppresses many psychological details habitually applies mental templates such as inversions and dichotomies and enhances its language by coining religious and spiritual metaphors The consequence of these changes is that the usual flickering self begins to be impressed by itself believing it is buttressed by something transcendental and eternal within the soul or the spirit The self although indoctrinated during its formative years also begins to assimilate and accept the opinion that the overwhelming weight of religious doctrines and dogmas the overburden signifies as the legitimate proof for the eternal soul **The Ladies' Repository** ,1848 [Deceiving the Soul](#) Lonnie Baldwin,2001-12 *Exposing*
