Decentralization The Territorial Dimension Of The State:

Decentralization Brian C. Smith, 2023-07-28 First published in 1985 Decentralization provides an analytical framework for the comparative study of decentralization in contemporary systems of government It discusses the structures and processes of all forms of decentralized government and administration drawing on a wide range of states developed and developing capitalist and socialist The book provides a comparative and theoretical treatment of a subject that for too long has been dealt with in a fragmented and ethnocentric fashion Decentralization is examined from a theoretical perspective and the political demand for it is analysed Four key universal themes are then explored areas intergovernmental relations finance and institutions Decentralization to small scale communities is discussed and the special claims made for decentralization in developing countries are assessed Examples are drawn from a wide range of countries throughout the world The book is intended for courses in public administration comparative government urban studies and public policy It will help both the student and the non specialist understand an important and topical aspect of government everywhere

Decentralization Brian C Smith, 2025-06-30 First published in 1985 Decentralization provides an analytical framework for the comparative study of decentralization in contemporary systems of government It discusses the structures and processes of all forms of decentralized government and administration drawing on a wide range of states developed and developing capitalist and socialist The book provides a comparative and theoretical treatment of a subject that for too long has been dealt with in a fragmented and ethnocentric fashion Decentralization is examined from a theoretical perspective and the political demand for it is analysed Four key universal themes are then explored areas intergovernmental relations finance and institutions Decentralization to small scale communities is discussed and the special claims made for decentralization in developing countries are assessed Examples are drawn from a wide range of countries throughout the world The book is intended for courses in public administration comparative government urban studies and public policy It will help both the student and the non specialist understand an important and topical aspect of government everywhere

Decentralization Brian C. Smith, 1985 **Handbook on Decentralization, Devolution and the State** Lago, Ignacio, 2021-10-19 Taking a multidisciplinary approach to the dynamics of political and economic decentralization in contemporary regimes this comprehensive Handbook offers a critical examination of how the decentralization of governance affects citizen well being *The Palgrave Handbook of Decentralisation in Europe* José Manuel Ruano, Marius Profiroiu, 2016-11-29 This handbook provides an authoritative study of European decentralisation taking into account from a territorial perspective the different political and administrative traditions in Europe Continental Anglo Saxon and Ex communist States and the cleavages North South and East West While in recent decades most European countries have implemented devolution policies trying to tackle different political social or bureaucratic problems some others have instead regionalised their territory applied federal or pseudo federal reforms and strengthened the role of subnational governments

This volume analyses decentralisation in these countries using different variables including history territorial organisation civil service and financing and reveals how this phenomenon leads to complex intergovernmental linkages The evolution of territorial decentralisation the political tensions between centre and periphery the autonomy of the subnational governments and their functions and competences the tools of co ordination and co operation and the features and role of civil service are the main issues studied here with an interdisciplinary approach

The Political Economy of Federalism and Multilevel Politics in Turbulent Times Amuitz Garmendia Madariaga, Anwen Elias, Sandra León, 2022-11-17

The Dilemma of Decentralization Gina Lambright, 2003

Political Decentralisation in a New State Ronald James May, Anthony J. Regan, 1997

New State Spaces Neil Brenner, 2004-09-10 In this synthetic interdisciplinary work Neil Brenner develops a new interpretation of the transformation of statehood under contemporary globalizing capitalism Whereas most analysts of the emergent post Westphalian world order have focused on supranational and national institutional realignments *New State Spaces* shows that strategic subnational spaces such as cities and city regions represent essential arenas in which states are being transformed Brenner traces the transformation of urban governance in western Europe during the last four decades and on this basis argues that inherited geographies of state power are being fundamentally rescaled Through a combination of theory construction historical analysis and cross national case studies of urban policy change *New State Spaces* provides an innovative analysis of the new formations of state power that are currently emerging This is a mature and sophisticated analysis by a major young scholar

The Imperative of Good Local Governance Joakim Öjendal, Anki Dellnäs, 2013 This is a true state of the art volume in the fields of local governance decentralization and local democracy It summarizes many of the insights emerging from original research of the past decade It is also a future looking volume with explicit policy relevance paving the way for innovative thinking and acting on the next phase of development in the field In a unique way this book brings together authoritative contributions from authors who to a large extent have been defining the field for the last decade or more It looks at how good governance is created from top down and bottom up perspectives illustrated through a wide variety of case studies The case studies were selected for their relevance to the theoretical perspectives offered as well as for their paradigmatic power in the current global evolution of decentralized policies and politics The volume concludes that overall local development and local politics will not go away it has a huge potential but also that the field is full of unfulfilled promises some of which could be remedied through the perspectives revealed in this volume

Regional Development Dialogue , 2008 An international journal focusing on third world development problems

Governance and Democratisation in Nigeria Dele Olowu, Kayode Soremekun, Bayo Williams, 1995

The Indian Journal of Public Administration , 1994

Public administration , 1996

State, Identity & Violence Navnita Chadha Behera, 2000 This Book Provides The Most Complete Account Of The Diverse Group Identities In Jammu Their Politicization And Demands Ranging From Affirmative Discrimination More Autonomy And A Separate Constitutional Status To Outright Secession It

Presents The First Detailed And Critical Appraisal Of The State And Regional Autonomy Committee Reports Released In April 1999 And Adopted Partly By The J K State Assembly In June 2000 **Canadian Slavonic Papers** ,1997 **Notebook CFS** ,1984 **Delivering Land and Securing Rural Livelihoods** Francis Gonese,Michael Roth,2003 *The LECIA Bulletin* ,1998-12 Encyclopedia of Africa South of the Sahara John Middleton,1997 Arranged alphabetically In addition to biographies extensive country information primarily postindependence and historical events the encyclopedia treats general topics in articles such as agriculture political systems and religion and ritual

Decoding **Decentralization The Territorial Dimension Of The State**: Revealing the Captivating Potential of Verbal Expression
