Decline Of Comity In Congress:

The Decline of Comity in Congress Eric M. Uslaner, 1993 What is the nature of representation Why do some legislators pursue their own policy agendas while others only vote according to the wishes of a majority in their district In *The Movers and the Shirkers* Eric M Uslaner sheds new light on these intriguing questions Uslaner demonstrates that current notions of representation are too narrow and that members of Congress pursue their own policy agendas as well as represent their constituents interests Uslaner explains that most senators do not choose between their ideal policies or their constituency preferences because voters usually elect public officials who are in tune with their beliefs Moreover because the constituency is a complex group some of whom are more critical to a legislator than others the legislator is able to form alliances with those who support his or her policy preferences In short the author argues that politics is both local and ideological This work illuminates one of the central issues of representative democracy and will appeal to those who study or follow legislative politics as well as those interested in democratic theory

Congress Responds to the Twentieth Century Sunil Ahuja, Robert E. Dewhirst, 2003 Congress occupies a central place in the U S political system Its reach into American society is vast and deep Overtime the issues it has confronted have increased in both quantity and complexity At the beginning Congress dealt with a handful of matters whereas today it has its hands in every imaginable aspect of life It has attempted to meet these challenges and has changed throughout the course of its history prodded by factors both external and internal to the institution The essays in this volume argue therefore that as society changed throughout the twentieth century Congress responded to those changes

Esteemed Colleagues Burdett A. Loomis, 2004-05-13 What s happened to the longstanding traditions of civility and decorum within the world s greatest deliberative body While the Senate hasn t yet become as rancorous as the House over the past three decades it has grown noticeably less collegial In *Esteemed Colleagues* leading congressional scholars address the extent to which civility has declined in the U S Senate and how that decline has affected our political system The contributors analyze the relationships between Senators shaped by high levels of both individualism and partisanship and how these ties shape the deliberation of issues before the chamber Civility and deliberation have changed in recent decades up to and including the Clinton impeachment process and the book sheds light on both the current American politics and the broad issues of representation responsiveness and capacity within our governmental institutions

Hitching a Ride Glen S. Krutz, 2001 Omnibus legislating is the controversial practice of combining disparate measures in one massive bill Omnibus packages are must pass bills because they have a nucleus that enjoys widespread support but they also contain a variety of often unrelated measures that are simply hitching a ride Why are omnibus bills employed Why the increase in their use Why do leaders attach certain bills to omnibus packages and not others Glen Krutz addresses these and other questions in this original and insightful study of an important change in the legislative process Many view omnibus packages as political vehicles and therefore attribute their rise to politics but Krutz

finds that whatever their political value omnibus packages are institutionally efficient Omnibus legislating improves congressional capability by providing a tool for circumventing the gridlock of committee turf wars and presidential veto threats In addition to furnishing a fascinating look at law making Hitching a Ride Omnibus Legislating in the U S Congress provides a challenge to recent studies of congressional change that focus on political factors Political and institutional factors together Krutz argues explain congressional evolution Encyclopedia of the United States Congress Robert E.
