Raising the Floor Andy Stern, 2016-06-14 Raising the Floor confronts America's biggest economic challenge the fundamental restructuring of the economy and the emerging disruptive technology that threaten secure jobs and income Andy Stern convincingly shows why it is time to consider a universal basic income as the nation's twenty-first century solution to increasing inequality In 2010 troubled by watching families chase the now elusive American Dream Andy Stern began a five-year journey to investigate how technology will impact jobs and the future of work Stern formerly the head of the nation's most influential and fastest growing union the Service Employees International Union investigated these issues with a wide range of CEOs futurists economists workers entrepreneurs and investment bankers who are shaping the future The sobering assessment that emerged from his research across the political spectrum from libertarians at the CATO Institute to the leaders of the progressive left is that this time is different there will be meager benefits that come with full-time work and fewer good jobs overall Facing such a challenging moment Stern's solution is fittingly bold to establish a universal basic income by eliminating many current government programs and adding new resources At once vivid provocative and pragmatic Raising the Floor will spark a national conversation about creating the new American Dream

Beyond Free Market Fayyaz Baqir, Sanni Yaya, 2021-05-18 This book explores the causes and consequences of market failure in bridging societal differences to create a shared economy It questions the current world order and evaluates socio-economic gains in reference to the social origins of the economic agents With a need to counterbalance economic growth with social equality and environmental sustainability the book proposes innovative approaches to address key questions on the contemporary global economy such as Is the Global socio-economic order supportive of the pursuit of rational and enlightened self-interest Is it a unipolar power centre and neoliberal economic policy regime Can the system reinvent itself etc One approach encourages going back to the golden past and making things great again insisting that history has ended and the failures of old global institutions be blamed on the Clash of Civilizations Another approach advocates giving up the intellectual comfort zone of elegant but irrelevant neo-liberal explanations of global challenges and asking new questions that take academic debate to the public square The book examines the internal challenges and contradictions that cause disintegration and proposes alternative ideas and practices in moving the global community beyond the free market regime The book will appeal to students and academics of development studies political economy political science sociology as well as policymakers and public opinion makers interested in creating a new egalitarian global society [Graphic Artists Guild Handbook, 17th Edition](#) The Graphic Artists Guild, 2025-12-02 The industry bible for graphic arts professionals with pricing guidelines and information on business ethical and legal issues in a new updated edition with essential information on AI NFTs social media and more For over 50 years the Graphic Artists Guild Handbook has been an indispensable resource for graphic arts communication design and illustration professionals As the graphic art marketplace continues to evolve with the
