Eliot's Civilized Savage Laurie MacDiarmid, 2003-04-25 T S Eliot's Civilized Savage revisits this poet's drafts and canonical poetry in a sometimes dismissive critical arena While contemporary readers emphasize Eliot's charged personal life his anti-Semitism his political conservatism and his misogyny Laurie MacDiarmid argues that although Eliot's poetics are shaped by private fears and fantasies in many ways these are the ghosts of a culture that accepts and celebrates him Comparing early versions with finished poems this book explores the development and ramifications of Eliot's impersonal poetic without losing sight of his influential haunting work Examining Eliot's neurotic relationship with women and his escape into women and his escape into spirituality this book observes how Eliot conceived and eroticized poetry of worship and a poetic that dictated a sacrificial relationship to a savage God      **Pete Duel** Paul Green, 2015-05-11 Most widely known for his starring role as outlaw Hannibal Heyes in television's Alias Smith and Jones 1971-1973 actor Pete Duel originally Peter Deuel led an unpredictable and often tumultuous life cut short by his highly publicized suicide on New Year's Eve 1971 at the height of his celebrity In the expanded second edition this biography of Duel reveals more personal aspects of his career and death including his formative years in New York City and Hollywood The author draws on extensive interviews with Duel's closest family and friends including sister Pamela Deuel former girlfriends Jill Andre Beth Griswold Kim Darby and Dianne Ray as well as actors producers directors and writers who worked with Duel      The Western Literary Tradition: Volume 2 Margaret L. **The Image of Modern Man in T. S. Eliot's Poetry** Mariwan Nasradeen Hasan Barzinji,2012-11-21 The Image of Modern Man in T S Eliot s Poetry The book presents an original understanding of The Image of Modern Man in T S Eliot s complex and difficult poems in an easy and understandable way Eliot s vision of the Modern Man and the modern world is depicted throughout Eliot s most well known poems Eliot was criticized by some critics for the quality of his work The aim of this book is to show what an excellent and successful writer he is to reveal the value and the contemporaneity of his work His poetry is highly evaluated for its unique way of depicting the Modern humanity by realizing their problems as well as finding solutions for them The book is a great help not only for students but also for researchers as the writer has spent much time in reading Eliot s Poems He has also written an ample introduction about modernism modernity modern literature and modern poetry which might be enough to understand the rise of modern poetry All of Eliot s poems especially *The Waste Land* has presented readers with all the aspects of the modern life Life is depicted as a mirror broken and shattered into pieces as it is clear in the different parts of the poem Eliot unlike many poets did not leave the modern man lost in despair but he finds them their peace of mind by having a true and stable faith as well as their turning to God The only solution for the entire problems of modern man is to turn to God and neglect the world that completely occupied them spiritually Modern man has lost his values especially women by only looking after children many of them turned to prostitution because they did not have any source of income therefore they used that as a way to earn money to maintain life These are the characteristics of the modern city which are shared by all the countries especially Europe Eliot insists on the necessity of turning from world to God He believed that God can solve their problems because man or any other earthly power could not change that gloomy and aimless life which modern man complained against
