Flavius Josephus Flavius Josephus, 2004-11-01 This volume offers a new translation of and commentary on Josephus Judean Antiquities Books 5-7 which cover the period from the entry into the land down to the death of King David Topics addressed by the commentary include Josephus handling of his biblical sources the biblical text forms used by him and Jewish and Greco-Roman parallels

Exegeting Orality Nick Acker, 2024-09-05 For too long critical biblical studies have applied modern textual assumptions to ancient oral cultures Exegeting Orality challenges many of these modern approaches distilling decades of studies in oral traditions to redirect pastors and scholars toward a more accurate narrative of biblical origins identity and meaning Many works in the area of orality textuality performance criticism and media studies focus on critical issues Exegeting Orality guides pastors and scholars through a brief introduction to these fields emphasizing biblical inspiration interpretation and proclamation This work honors the rich oral traditional foundations of the inspired canon urging a transformative shift in how we interpret the Bible The stories we believe define us The Bible is not just a text to be studied but a record of voices from the past who performed our definitive stories The Bible is a tradition to be reproclaimed and reenacted in the community of faith Let us not recast these ancient voices into modern epistemological molds without letting them speak from within their own cultural realities Their voices still call out to us through the abiding Holy Spirit who connects us all to the story of Jesus May we live out that ancient story today together
