Deceived Who Me:

Deceived? Craig Hill, 1986 *You Deceived Me* Olorunyomi W. Agbajor, 2012-11-12 The book speaks to readers of true Christian hope the kind that can see the promise of life even in the face of despair It honestly states that marriage can grow to become a burden but that Gods Word offers comfort and encouragement The book speaks of how the false impressions husbands and wives hold of one another become apparent as the gloss wears off of the new marriage but the message of the book as a whole is about the growth that comes after both husband and wife recognize the mutual deception Professor Agbajor lays out the main message of the book in the following words No matter the state of your marriage and emotional disposition right now as you are reading this book I want you to know that your story has not yet arrived at its closing stage There is still hope Even though your life has become an elegiac verse of sorrows and deception Gods Word promises restoration May the words of God as recorded in Joel embrocate your soul like a healing salve rubbed on a wound *Female Highlife Performers in Ghana* Nana Abena Amoah-Ramey, 2018-07-27 This book offers a detailed analysis of the history of female musicians in the Highlife music tradition of the Republic of Ghana particularly the challenges and constraints these women faced and overcame Highlife a form of West African music infusing Ghana s traditional Akan dance rhythms and melodies with European instruments and harmonies grew in popularity throughout the 20th century and hit its peak in the 1970s and 1980s Although women played significant roles in the evolution and survival of the genre few of their contributions have been thoroughly explored or documented Despite being disregarded and ignored in many spheres female Highlife musicians thrived and became trailblazers in the Ghanaian music industry making particularly vibrant contributions to Highlife music in the 1970s This book presents the voices of female Highlife artists and documents the ideological transformations expressed through their musical works exploring the challenges they confronted throughout their musical careers and their contributions to music and culture in Ghana
