

The Council of Deception works against the Justice Kings' plan, and  
 Chas has a shocking revelation in their way.

Deception and justice. This brings a plan to bring the Sons of  
 Perdition, where bad deeds are not welcome. Getting this through  
 will put her life in danger for walking away from Laina and Oliver as  
 well.

Will she be able to get the information they need?

As the attack on Chas's business is underway and more dangers  
 arise, this brings a race against time, and the future, as that is what  
 Chas and Laina have. Will she be able to escape the fate of the  
 past?

Will this plan work? Or will the Council get to their end?

## **Deceptions Signed:**

**Deception** Robert W. Mitchell, Nicholas S. Thompson, 1986-01-01 Mitchell and Thompson have compiled the first interdisciplinary study of deception and its manifestations in a variety of animal species Deception is unique in that it presents detailed explorations of the broadest array of deceptive behavior ranging from deceptive signaling in fireflies and stomatopods to false alarm calling by birds and foxes to playful manipulating between people and dogs to deceiving within intimate human relationships It offers a historical overview of the problem of deception in related fields of animal behavior philosophical analyses of the meaning and significance of deception in evolutionary and psychological theories and diverse perspectives on deception philosophical ecological evolutionary ethological developmental psychological anthropological and historical The contributions gathered herein afford scientists the opportunity to discover something about the formal properties of deception enabling them to explore and evaluate the belief that one set of descriptive and perhaps explanatory structures is suitable for both biological and psychological phenomena
