## **Declaración Universal De Derechos Humanos:**

La Declaración universal de derechos humanos Xavier Pons Rafols, Asociación para la Naciones Unidas en España, 1998  
Obra colectiva que reúne reflexiones generales y comentarios sobre cada uno de los artículos de la declaración universal de los derechos humanos de la ONU. Además comenta la evolución, la historia y las aplicaciones de dicha declaración. *La declaración universal de Derechos Humanos* Jaime Oraá Oraá, Felipe Gómez Isa, 2002. El Instituto de Derechos Humanos Pedro Arrupe de la Universidad de Deusto ha querido contribuir al 50 Aniversario de la Declaración Universal con esta publicación en la que procedemos a un breve comentario de sus principales características y contenidos así como a un análisis de su controvertido valor jurídico. En el Decenio de las Naciones Unidas para la Educación en Derechos Humanos 1995-2004 el Instituto de Derechos Humanos Pedro Arrupe espera que el conocimiento de la Declaración por todas las personas lleve a una promoción y a un respeto cada vez mayor de los derechos humanos en nuestra sociedad.

**Declaración Universal de Derechos Humanos** United Nations DPI, 2017-12-10. La Declaración Universal de Derechos Humanos es el primer acuerdo internacional que establece las libertades, los derechos y las prestaciones para que toda la humanidad reclame. Subraya la inextricable relación entre las libertades fundamentales y la justicia social y su conexión con la paz y la seguridad. La Asamblea General de las Naciones Unidas proclama esta Declaración Universal de Derechos Humanos como un estándar común de logro para todos los pueblos y todas las Naciones hasta el extremo de que cada individuo y cada órgano de la sociedad manteniendo la declaración en mente se esfuerza por la enseñanza y la educación para promover el respeto de estos derechos y libertades y por medidas progresistas nacionales e internacionales para asegurar su reconocimiento y cumplimiento universal y eficaz tanto entre los pueblos de los propios Estados Miembros como entre los pueblos de los territorios bajo su jurisdicción.
