

Letter To Decline Project Offer Due To Personal Reasons

Dear (Name of the boss of the company) Sir,

I am very grateful that you considered me worthy of the new project. This project is going to be the biggest project offer for our company. With the help of this letter, I am feeling very sorry to decline to work on this project offer because my wife is pregnant with my child and I have to take care of her every time. This project is also far from our city, and I couldn't go far from this place in this situation.

Actually, doctors have recommended that I take care of her every time as there are some complications with her pregnancy. One of her body glands is also increasing with the growth of the baby. This time is a critical time for me and my wife, there is some risk involved at the time of my baby's birth.

I am attaching her reports with a confirmation letter from the doctor about my wife's health situation. I hope you will understand and forgive me this time for not being able to be a part of the new project offer. I know this same situation also came to you when your wife was pregnant, and I also know that you will understand what I am going through.

I want to thank you very much again for the consideration, and on the other hand, I am feeling my heartiest sorry to you for the inconvenience that has been caused because of me.

Thank You

Yours Faithfully
