River of Love in an Age of Pollution David Haberman, 2023-09-01 Celebrated as an aquatic form of divinity for thousands of years the Yamuna is one of India s most sacred rivers A prominent feature of north Indian culture the Yamuna is conceptualized as a goddess flowing with liquid love yet today it is severely polluted the victim of fast paced industrial development This fascinating and beautifully written book investigates the stories theology and religious practices connected with this river goddess collected from texts written over several millennia as well as from talks with pilgrims priests and worshippers who frequent the pilgrimage sites and temples located on her banks David L Haberman offers a detailed analysis of the environmental condition of the river and examines how religious practices are affected by its current pollution He introduces Indian river environmentalism a form of activism that is different in many ways from its western counterpart *River of Love in an Age of Pollution* concludes with a consideration of the broader implications of the Yamuna s plight and its effect on worldwide efforts to preserve our environment Celebrated as an aquatic form of divinity for thousands of years the Yamuna is one of India s most sacred rivers A prominent feature of north Indian culture the Yamuna is conceptualized as a goddess flowing with liquid love yet today it is severely pol

Figuring Animals M. Pollock, C. Rainwater, 2016-10-03 This is a collection of fifteen essays which expose weaknesses in western epistemological frames of reference that for centuries have

limited our views and thus our experiences of animal being including our own The volume contributes to current discussions of new ways of seeing the other inhabitants of this world and more effective ways of sharing the world with them The contributors draw on and complement the growing field of ecocriticism but because the contributors draw on an array of disciplinary and cultural perspectives it will appeal to a wide audience ranging from literary scholars philosophers art historians anthropologists and cultural historians including graduate and undergraduate students in all these disciplines to laypersons interested in nature writing and environmental issues
