Deer Stand:

Fifty Years of Deer-Stand Reflections, a Memoir of a Michigan Master Deer Hunter - MFE-C Joe Lunkas, 2012-09-24 Fifty Years of Deer Stand Reflections a Memoir of a Michigan Master Deer Hunter is the culmination of author Joe Lunkas fascinating experiences over many years of hunting deer Artfully presented organized and integrated these stories strongly convey the messages and their true meanings derived from his outdoor journey of learning This is a book that will ignite the flame in the hearts and minds of hunters both newcomers and veterans of the sport infusing a deep appreciation respect and love for nature The healing and rejuvenating solitude thought provoking atmosphere and the pure personal enjoyment experienced in the deer stand can be the sources of inspirations satisfaction and success Whitetail Addicts Manual T. R. Michels, 2007-09 Whitetail Addicts Manual provides whitetail hunters whether they are novices or experts with the information they need to understand the biology and behavior of white tailed deer This information will enable hunters to understand how deer especially trophy class whitetail bucks act on a seasonal and daily basis and how they react to the daily changing conditions around them This book will help hunters know how to locate deer in existing conditions each day and will also arm them with highly successful archery and firearms tactics and techniques for each rut phase Ultimately the content will successfully provide enthusiasts with the information and skills that will make them more successful hunters regardless of hunting conditions Written by a nationally recognized big game expert the content is based on his more than 20 years of research studying how trophy whitetails behave in a range of conditions The content contains several chapters on biology and behavior of North America s most popular big game species and several different tactics and techniques for scouting observing locating patterning and hunting All techniques were developed by the author when he was professional hunting guide and outfitter for more than 15 years Whitetails are the most popular species to hunt in North America and interest continues to grow from both men and woman of all ages This book is also the complete guide to the species so it s great for researchers and biologists as well in that it is the complete study of the species and its behavior The knowledge that hunters gain from this book will not only help them be more successful hunters it will help them take more trophy bucks the goal of all whitetail addicts Discusses firearm muzzleloading and archery techniques The Masters' Secrets of Bowhunting Deer John E. Phillips, 1993-05 **Whitetail Hunting** Shawn Perich, Michael Furman, 2004 North America s 1 big game animal is the whitetail Most hunters however are not successful in their quest for a big buck Some of them set up their treestands in the wrong places others simply move too fast and make too much noise when still hunting or tracking Whitetail Hunting is written to help put the odds in the hunter s favor every time he or she steps into the deer woods In the section Understanding Whitetails readers learn what habitats deer prefer how they react to weather changes where they feed how they use their senses and how they communicate with each other Preparing for the Hunt explains what equipment and clothing hunters should buy regardless of whether they hunt with firearm or bow arrow Chapters in this section also discuss

tips for scouting and locating whitetail hotspots before opening day The latest information on Chronic Wasting Disease and other deer specific ailments are discussed Hunting Techniques shows readers how the experts stand hunt still hunt stalk or drive deer in different situations and habitats Readers also learn when to rattle how to place deer attractor scents and where to find trophy bucks Trailing wounded deer and field dressing tips are also provided Regional Differences explores the unique hunting strategies needed for specific terrains and weather conditions in the various major geographic regions of the US and Canada
