work first published in 1902 was the essential text on literary history in Persian studies for many years As an overview of Persian literature from the earliest times until Firdawsi it continues to be a valuable reference Out of print for some time it is now reissued as a library edition in facsimile to capture the feel of the original edition Mounce's Complete Expository Dictionary of Old and New Testament Words William D. Mounce, 2009-12-15 For years Vine's Expository Dictionary has been the standard word study tool for pastors and laypeople selling millions of copies But sixty plus years of scholarship have shed extensive new light on the use of biblical Greek and Hebrew creating the need for a new more accurate more thorough dictionary of Bible words William Mounce whose Greek grammar has been used by more than 100 000 college and seminary students is the editor of this new dictionary which will become the layperson's gold standard for biblical word studies Mounce's is ideal for the reader with limited or no knowledge of Greek or Hebrew who wants greater insight into the meanings of biblical words to enhance Bible study It is also the perfect reference for busy pastors needing to quickly get at the heart of a word's meaning without wading through more technical studies What makes Mounce's superior to Vine's The most accurate in depth definitions based on the best of modern evangelical scholarship Both Greek and Hebrew words are found under each English entry Vine's separates them Employs both Strong's and G K numbering systems Vine's only uses Strong's Mounce's accuracy is endorsed by leading scholars Nicene and Post-Nicene Fathers Philip Schaff, 2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume VI of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Saint Augustine's exegesis on the Gospels and the Sermon on the Mount which strove to interpret and draw meaning out of the text without incorporating the author's personal agenda or bias Also included in this volume are a selection of Augustine's sermons **A Commentary upon the Holy Bible, from Henry and Scott; with occasional observations and notes from other authors.
