*The Ideal Life and Other Unpublished Addresses* Henry Drummond, 2013-02-19 The addresses which make up this volume were written by Professor Drummond between the years 1876 and 1881 and are now published in the hope that they may continue his work Included here are Ill Temper Why Christ Must Depart Going to the Father The Eccentricity of Religion To Me to Live Is Christ Clairvoyance The Three Facts of Sin The Three Facts of Salvation Marvel Not Penitence The Man After God s Own Heart What is Your Life What is God s Will The Relation of the Will of God to Sanctification and How to Know the Will of God

**Albert & Thomas** Simon Tugwell, 1988 Contains writings by two 13th century Dominicans both Doctors of the Church St Albert the Great 1200 1280 patron saint of natural scientists and the common doctor St Thomas Aquinas 1226 1274 both famous for their contributions to philosophy and theology

Sovereignty of God Arthur W. Pink, 2008-08 Pink d 1953 is noted for his independent thinking He was so well read and had such a photographic memory that he could give you the page and column in a host of reference works and commentaries This book shocked the Christian world in 1919 when he published it He fiercely defends the sovereignty of God and all the cognate doctrines such as the Doctrines of Grace It is THE book to give to those just after conversion and a prime book to give to anyone who defends the free will of man Pink was a Baptist preacher who held pulpits in England America and Australia His early training was in scientology His conversion was instant and complete dedication to the cause of God and truth quickly became evident This early book by Pink lays Scripture end to end to prove God s control over all persons and events It is uncompromising and as such it raises the hackles on the necks of many new students of this doctrine Persons who knew Pink seldom objected to anything he taught because he could literally quote hundreds of verses of Scripture verbatim on the subject under discussion This book may be overwhelming but it is certain that its many printings have been used of God to convince people of His sovereignty The Banner of Truth has an edition of this book but they have abridged their edition by deleting the chapter on Reprobation If Pink were still alive he certainly would not have allowed this misrepresentation of his doctrinal belief that God both elects and reprobates as Romans 9 21 23 clearly teaches It is an important stone to guide the steps of those who are not yet convinced of God s absolute sovereignty over all persons and events
