Aspects Of Language Variation In Arabic Political Speech Making:

Aspects of Language Variation in Arabic Political Speech-Making Nathalie Mazraani,2013-02-01 This socio linguistic study throws new light on variation and the defining of register in Arabic political discourse The research is based on three dialects Egyptian Iraqi and Libyan and on political speeches delivered by Gamal Abdunnasir Saddam Hussein and Muammar Al Gadhafi

Handbook of Literacy in Diglossia and in Dialectal Contexts Elinor Saiegh-Haddad,Lior Laks,Catherine McBride,2022-03-14 This volume is the first published collection of papers on the impact of diglossia and dialectal variations on language and literacy acquisition impairment and education The authors are pioneering in this field and are leading researchers with substantial experience in conducting research in this area A wide range of areas and languages are covered including the US South Africa Israel and various European countries The chapters present novel data and insights regarding the role of dialectal variations on language and literacy from a wide range of countries and perspectives These insights have significant theoretical and practical implications A majority of literacy learners worldwide are taught to read and write in a language variety or a dialect that is not the same as their spoken language Not only is this the global norm but it is probably also the greatest obstacle to literacy learning This volume is the first published collection of papers on the role of dialect in language and literacy acquisition impairment and education in a variety of languages and situations across Europe the Middle East North America Africa and Asia The authors are pioneers in this field

Arabic Political Discourse in Transition El Mustapha Lahlali,2021-10-15 10 years after the eruption of the Arab revolutions El Mustapha Lahlali explores the dialectical relationship between discourse and social change during and post the conflict In particular the book examines how Arabic public and political discourse shapes and is shaped by the wider social cultural and political environment Analysing the dialogue of various actors Islamic parties and stakeholder as well as marginalised voices Arabic Political Discourse in Transition identifies the key linguistic strategies and features used to frame represent and position oneself at times of conflict

Democracy in Contemporary Egyptian Political Discourse Michele Durocher Dunne,2003-09-18 When politicians and pundits in the Middle East discuss democracy do they mean it Looking at public discourse about democracy in contemporary Egypt Dunne proposes a fresh way of reading Arabic political discourse She charts a method combining ethnographic research into communities of people producing political discourse with investigation of the texts themselves using tools from anthropology pragmatics and sociolinguistics a method with broad applicability to political discourse generally Taking off from the premise that all discourse is based in social interaction this book demonstrates that looking at the ways individuals and groups use public discourse to perform critical social and political functions yields entirely new perspectives on the significance of the discourse Democracy in Contemporary Egyptian Political Discourse is a valuable resource for students of linguistics political science democracy studies Arabic language and Middle East area studies

Arabic Writing in the Digital Age Saussan Khalil,2022-05-30 The written and spoken forms

of Arabic have been traditionally viewed as separate forms of the language that rarely overlap in writing but this book will examine the recently emerged concept of mixed writing that combines both written and spoken forms This book takes a close look at different examples of mixed Arabic writing in modern twentieth to twenty firstt century print and online literature offering an analysis of this type of mixing alongside a dynamic model for analysing mixed Arabic writing and the motivations for producing this type of writing This book further introduces the ground breaking concept of the seven writing styles for Arabic ranging from Classical Arabic to ChatSpeak whilst also offering an overview of early Arabic literacy and children s literature Primarily aimed at Arabic researchers and teachers in linguistics sociolinguistics identity studies politics and Teaching Arabic as a Foreign Language this book would also be informative for undergraduate and postgraduate students studying Arabic as foreign language Arabic linguistics and dialectology
