Assassination Of Yitzhak Rabin:

Who Murdered Yitzhak Rabin? Barry Chamish, 2000 Chamish has carefully reviewed both the official government position on the Rabin assassination and collected a huge amount of information connected to the event and carefully cross checked it The Israeli government s official position supported by a special government commission is that a lone gunman Amir assassinated Rabin Now learn the truth behind Prime Minister Yitzhak Rabin s assassination Read about ballistics reports and an amateur film of the assassination which was doctored to hide the truth but helps reveal it Conflicting testimonies by over a dozen witnesses including trained police personnel and bodyguards is presented on how many shots were fired and where exactly the shots came from cries that the bullets fired by Amir were blanks hence harmless came from these police and bodyguards There was little attempt to contain the shooter Amir before or after the shots were fired the chain of evidence to the guns and the bullets that reportedly killed Rabin is broken Rabin s wife was taken to secret service headquarters rather than to the hospital to her husband Autopsy reports that first indicated the fatal wound was to Rabin s chest were later changed so the bullets came from the back where Amir the convicted murderer was standing The strong possibility is that the fatal shot was administered in the car going to the hospital or in the hospital Read testimonies that changed over time from the event to the trial of Amir Chamish reviews the evidence relating to all these details and more surrounding the assassination A far more sinister truth than the official version unfolds This newly expanded edition reveals the conclusive evidence that dramatically changes one s views of the assassination **Killing a King**

Dan Ephron, 2015-10-01 Winner of the Los Angeles Times Book Prize in History and one of the New York Times s 100 Notable Books of the Year The assassination of Israeli Prime Minister Yitzhak Rabin remains the single most consequential event in Israel s recent history and one that fundamentally altered the trajectory for both Israel and the Palestinians In Killing a King Dan Ephron relates the parallel stories of Rabin and his stalker Yigal Amir over the two years leading up to the assassination as one of them planned political deals he hoped would lead to peace and the other plotted murder Carefully reported clearly presented concise and gripping It stands as a reminder that what happened on a Tel Aviv sidewalk 20 years ago is as important to understanding Israel as any of its wars Matti Friedman The Washington Post **Murder in the Name of God**

Michael Karpin, Ina Friedman, 1998-11-04 The first book to tell the complete explosive story of the assassination of Israeli Prime Minister Yitzhak Rabin A dramatic tale of treachery and betrayal Murder in the Name of God investigates and recreates the historic events of November 4 1995 On that night a twenty five year old student named Yigal Amir assassinated Israeli Prime Minister Yitzhak Rabin an act that abruptly changed the course of Israeli politics Based on exhaustive research including an exclusive interview with the assassin Murder in the Name of God is the first book to give the full story of the people whose words and actions made Rabin s assassination inevitable the nationalist rabbis who condemned Rabin by invoking an arcane talmudic ruling the militant settlers and right wing politicians who launched a sophisticated campaign of

incitement against him and the security experts who saw what was coming but failed to act In a series of shocking revelations the book ranges beyond Israel to expose the extent of American support financial and ideological for the movement that produced Rabin's killer Far more than the tale of an assassination Murder in the Name of God is a powerful indictment of a society's failure to examine itself honestly and to bring its own worst enemies to justice WHO MURDERED YITZHAK RABIN [black and white version] Barry Chamish,2011 **Yitzhak Rabin's Assassination and the Dilemmas of Commemoration** Vered Vinitzky-Seroussi,2010-07-02 How does a society cope with the challenge of acknowledging and commemorating difficult aspects of its past In Yitzhak Rabin's Assassination and the Dilemmas of Commemoration Vered Vinitzky Seroussi develops a timely sociology of commemoration drawing on the public memory of Israel's Prime Minister Yitzhak Rabin who was assassinated at the end of a peace rally in Tel Aviv in 1995 She identifies and analyzes the building blocks from which commemoration is made agency space time and narrative Acting as a guide she leads the reader through monuments and gravestones memorial services and political demonstrations rituals both moving and banal and individuals determined to remember as well as those who wish to forget Yitzhak Rabin's Assassination and the Dilemmas of Commemoration examines the meanings boundaries opportunities and limits of commemoration a phenomenon not unique to Israel but shared by many nations across the globe The Assassination of Yitzhak Rabin Yoram Peri,2000 The assassination of Israel's prime minister Yitzhak Rabin in November 1995 was a blow to the country's social body In this book 15 contributors from a range of disciplines history psychology anthropology political science and cultural theory survey the various reactions to the assassination and analyze its ramifications and repercussions **Day of the Assassins** Michael Burleigh,2021-05-27 Written with Burleigh's characteristic brio with pithy summaries of historical moments he is brilliant on the Americans in Vietnam for example and full of surprising vignettes The Times Book of the Week In Day of the Assassins acclaimed historian Michael Burleigh examines assassination as a special category of political violence and asks whether like a contagious disease it can be catching Focusing chiefly on the last century and a half Burleigh takes readers from Europe Russia Israel and the United States to the Congo India Iran Laos Rwanda South Africa and Vietnam And as we travel we revisit notable assassinations among them Leon Trotsky Hendrik Verwoerd Juv nal Habyarimana Indira Gandhi Yitzhak Rabin and Jamal Khashoggi Combining human drama questions of political morality and the sheer randomness of events Day of the Assassins is a riveting insight into the politics of violence Brilliant and timely Our world today is as dangerous and mixed up as it has ever been Luckily we have Michael Burleigh to help us make sense of it Mail on Sunday **The Assassination of Yitzhak Rabin** Steven Sirbu,1998 *This is to Inform Those that Can Read, and Those that Cannot Read, But Will Hear.
