Excerpt from *The Assurance of Immortality* In publishing this essay upon immortality it is useless and in most cases impossible for me to indicate in detail my indebtedness for the lines of thought which here are interwoven The general considerations which support faith in everlasting life have been canvassed so often that extensive originality in arguing for immortality is out of the question Whatever freshness of thought this essay may possess will be found in the fact that the problem of life after death is viewed from the standpoint of the twentieth century and is discussed in terms of the special difficulties and the prevailing attitudes which exist to day Old arguments must take new direction from the banks of the generation s thought between which they flow About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Assurance of Immortality...** Harry Emerson Fosdick, 2013-12 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The Assurance of Immortality (Classic Reprint)** Harry Emerson Fosdick, 2017-11-21 Excerpt from *The Assurance of Immortality* The reader will find the understanding of the argument easier if he keeps in mind the general outline of the thought In the first Chapter I try simply to point out the real and present importance of the problem which we are considering in the second chapter I try to Show the inconclusive nature of the arguments commonly urged against a future life and in the third Chapter I try to pre sent the positive reasons for a modern man s assurance that death does not end all About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Assurance of Immortality** Harry
