Assyrian And Hebrew Hymns Of Praise

Wendy J. Porter

Assyrian And Hebrew Hymns Of Praise:

The Assyrian and Hebrew Hymns of Praise Charles Gordon Cumming,1966 **The Assyrian and Hebrew Hymns of Praise** Charles Cumming,2015-02-13 Excerpt from the beginning The Book of Psalms is no longer to be regarded by Old Testament scholars as an isolated phenomenon Similar religious poetry is found not only in the narrative and prophetic portions of the Old Testament in the Apocrypha and the New Testament but also in the literatures of Egypt Babylonia Persia India and Greece Indeed wherever religion really develops beyond the primitive stage it expresses itself in poetry and we get something comparable to the Hebrew psalms One primary fact then to be considered in the study of the Old Testament psalms is that they are only the surviving fragments of the religious poetry of a race and that they have been preserved partly by reason of the literary merit that made it difficult for them to be forgotten and partly by reason of the fact that they happened to be included in the song books of the sanctuaries One must accordingly bear constantly in mind the larger literature of which they were a part and employ to a legitimate degree the imagination in order to rightly comprehend the life out of which the psalms have come and to see in any true perspective the significance of the surviving psalms An Introduction to Wisdom Literature and the Psalms Harold Wayne Ballard,W. Dennis Tucker (Jr.),2000 The author s discussion of Crow tribal history and his vivid descriptions of current reservation life show how the Aps alooke are adapting to a changing world By examining pivotal social and religious institutions including the clan uncle and clan aunt relationships the acquisition and use of medicine and the Sun Dance the author show how reciprocity and interdependence weave together Aps alooke society and help individuals determine their place in clan society and cosmos The Rise of Music in the Ancient World, East and West Curt Sachs,2008-01-01 An eminent scholar explores the evolution of music from the ecstatic singing of early civilizations to the development of more structured styles in Egypt East Asia Rome and other regions **The Psalms and their Readers** Donald K. Berry,1993-01-01 A reader oriented approach provides a substantially new angle of vision on Psalm 18 and Psalms study in general Reader based interpretation is compared to conventional methodologies by means of four separate analyses of Psalm 18 a textual study a form critical explication a rhetorical study and an experimental reader oriented study involving the following strategies Initially the components of the text are considered as networks of signals for the reader Secondly the text s speech acts are isolated and typified Thirdly the ancient and contemporary contexts for the reading of the psalm are examined The reader oriented study culminates in two perspectives upon Psalm 18 The psalm may be read as a ritual speech act performed by the community of ancient worshippers or as a lyric poem that each contemporary reader experiences by identification with the speaker The concluding chapter reviews each of the methodologies evaluating strengths and weaknesses as well as interrelationships among methods **Journal of the Royal Asiatic Society of Great Britain & Ireland** ,1834 Has appendices *A Research Guide to the Ancient World* John M. Weeks,Jason de Medeiros,2014-11-25 The archaeological study of the ancient world has become increasingly popular in recent years A

Research Guide to the Ancient World Print and Electronic Sources is a partially annotated bibliography The study of the ancient world is usually although not exclusively considered a branch of the humanities including archaeology art history languages literature philosophy and related cultural disciplines which consider the ancient cultures of the Mediterranean world and adjacent Egypt and southwestern Asia Chronologically the ancient world would extend from the beginning of the Bronze Age of ancient Greece ca 1000 BCE to the fall of the Western Roman Empire ca 500 CE This book will close the traditional subject gap between the humanities Classical World Egyptology and the social sciences anthropological archaeology Near East in the study of the ancient world This book is uniquely the only bibliographic resource available for such holistic coverage The volume consists of 17 chapters and seven appendixes arranged according to the traditional types of library research materials bibliographies dictionaries atlases etc The appendixes are mostly subject specific including graduate programs in ancient studies reports from significant archaeological sites numismatics and paleography and writing systems These extensive author and subject indexes help facilitate ease of use

The Union Seminary Review Union Theological Seminary in Virginia,1935

Worship, Music, and Interpretation Wendy J. Porter,2024-09-30 This unique volume brings together wide ranging research that could only be written by someone singularly expert in the full range of Christian worship and music from ancient to modern These essays by Wendy Porter span eras and areas of study from the New Testament to the present and encompass an expansive view of worship music and liturgy Some focus on what is known or not about early Christian worship including the early creeds and hymns in the New Testament and whether music originated in Jewish or Greco Roman contexts Some introduce firsthand work on ancient liturgical manuscripts such as a sixth century manuscript by hymnwriter and preacher Romanos Melodus or a tenth century ekphonic liturgical manuscript Extending her research on sixteenth century English composers as musical interpreters Porter includes several papers on how musicians have functioned as theological interpreters in worship and music One chapter engages theological comparisons between well known compositions by Bach Beethoven and Stravinsky another creatively explores what contemporary worship leaders can learn from sixteenth century songwriter and worship leader William Byrd while others invite thoughtful reflection on what we can all learn if we stop to consider how Christians have functioned and fared in their worship through the centuries
