Asti Spumante Code A Parody:

The Asti Spumante Code Toby Clements,2006-02-03 Gordon Sanitaire is dead The fourth bullet from the Glock Pn35 catches him fatally in the gut And the key to the secret dies with him But why is his body arranged in a re enactment of Anna Karenina s death This is the first of many mysteries which Professor James Crack from the University of Cat Butt Nebraska must solve otherwise he s going to be banged up in a Brussels prison and even by Belgium standards Brussels is a small town So begins a breathless chase full of twists and turns which takes Crack and his seriously beautiful assistant across at least three borders during which through clues hidden in the great books of the past they uncover some stunning evidence that there is a sinister cabal of publishers who are determined to undermine the prediction that 2000 years after the Bible was written a new book of such power will be produced that it will render all other books pointless and so destroy the publishing industry

The No. 2 Global Detective Toby Clements,2014-02-13 The bestselling author of *The Asti Spumanti Code* offers a globe hopping spoof of contemporary fiction s most famous detectives Cuff College of Transgression and Pathology Oxford is the Alma Mater of the world s most famous fictional detectives But when a body is discovered in the Cuff College library the police are baffled The only clues to the crime are the enormous spear sticking out of the victim s chest and the price tag from an IKEA duvet It looks like a case for junior lecturer Tom Hurst Though from Tom s perspective it looks like a job for almost anyone else Breaking every rule of the whodunnit genre Tom recruits four of the College s most celebrated graduates to find the killer from Botswana Mma Delicious Ontoaste from Sweden Inspector Burt Colander from Scotland Inspector Scott Rhombus from America Doctor Faye Carpaccia Together perhaps these international supersleuths can solve the case if only they can stop arguing and get to IKEA before it shuts Revisiting and rewriting some of the most famous crime novels of recent times Toby Clements offers four thrillers in one in this uproarious murder mystery that will seem oddly familiar to readers of Alexander McCall Smith Henning Mankell Ian Rankin and Patricia Cornwell

s Nightmare Mansfield Park and Mummies Excerpt A Tale of a Tub was the first major work written by Jonathan Swift composed between 1694 and 1697 and published in 1704 It is arguably his most difficult satire and perhaps his most masterly The Tale is a prose parody which is divided into sections of digression and a tale of three brothers each representing one of the main branches of western Christianity The tale presents a consistent satire of religious excess while the digressions are a series of parodies of contemporary writing in literature politics theology Biblical exegesis and medicine The overarching parody is of enthusiasm pride and credulity At the time it was written politics and religion were still linked very closely in England and the religious and political aspects of the satire can often hardly be separated The work made Swift notorious and was widely misunderstood especially by Queen Anne herself who mistook its purpose for profanity It effectively disbarred its author from proper preferment within the church but is
