Evidence for the inspiration of the Bible the deity of Christ testimony of fulfilled prophecy and the argument for the existence
of the God of the Bible The uniqueness of Christianity authenticity of God s Word and character of God Many people in
Christian circles today no longer believe that the Bible is reliable in its traditional literal and historical sense They have come
to feel that their religious experience must be realized either through some sort of subjective encounter with Christ or else
through involvement in social action movements The emphasis is now on relevance and fulfillment rather than truth The
purpose of this book is to survey the many infallible proofs of the unique truth and authority of biblical Christianity together
with a refutation of its alleged fallacies and a reconciliation of its alleged discrepancies Not only is there no mistake or
contradiction in the Bible but also there are innumerable evidences of its divine inspiration and authority **Society of the**
Future Massimiliano Ruzzeddu,Jiří Šubrt,Nicolas Maslowski,2026-02-23 Starting from the dominant perspective of historical
sociology this book looks into the future instead and asks vital questions about the futures we face at the societal and global
levels The authors project what we can expect relating to the future of human knowledge ideas and expectations prognostic
and futurological conceptions transformations reflected by social geography and demography and disputes on environmental
issues It also looks at civilizational issues religion economic and political development and changes in human settlements and
lifestyles Finally it looks at important issues relating to planetary defence and space settlement in the not so distant future
The book offers readers an intellectual basis for understanding historical and contemporary processes at work in the world
around us that are shaping the contours of what the world of the future will be built upon New Age Journal ,1996
