

A woman with long dark hair is sitting at a wooden desk, looking at a laptop. The laptop screen shows a website with a purple header. To the right of the laptop is a white mouse and a stack of light blue books. A potted plant with green leaves is on the desk. In the background, there is a white bookshelf with books. A blue banner with white text is overlaid on the image.

[The Complete Novices Guide To Building A Website From Scratch](#) Mark Reynolds, 2014-08-31. The Complete Novices Guide To Building A Website From Scratch will simply walk you step by step through the process of building your very own website. No experience or programming skills required. Who This Book Is For: The Complete Novices Guide To Building A Website From Scratch is aimed and specially written for people who are novices or have little or no experience building websites. Want to set up a website easily and quickly? Are interested in creating a website in order to turn it into a money-making venture? Who have no coding experience? How This Book Will Help You: Most books on the market often claim to be aimed at the complete beginner but they fail to deliver on their promises. The Complete Novices Guide To Building A Website From Scratch is different. It is not only written with the complete beginner in mind but offers straight-forward, non-complex information that anyone can understand. The most information is presented to the reader in three easy ways: Written explanatory form throughout the book, first you read about it; Pictorial form via images, then you see the images; Video form via video tutorial that you can access through the book at a dedicated website set up for customers only. Finally, you see it via videos. Additional Bonuses: The Complete Novices Guide To Building A Website From Scratch goes above and beyond just building a simple website. The author walks the beginner through the most important aspects of setting up and running their own website successfully, including: Keyword optimizing for flooding your website with paying traffic; Tips on how to create killer content for your website; How to pick a dynamite domain name; Monetization of your website via affiliate marketing, advertising, and more; Avoiding common mistakes and pitfalls early on; How to engage and drive more customers to your site via backlinking; How to use high authority sites in order to boost your own rankings in Google. Exclusive dedicated video tutorial website for E-book purchasers only. An optional paid web site ranking service to blast your website to page 1 in Google.

The Complete Novices Guide To Building A Website From Scratch is the only book a beginner will ever need in order to build their own website and make money from it.
