Aspects Of War Trench Warfare:

Military Aspects of Geology E. P. F. Rose, J. Ehlen, U. L. Lawrence, 2019-01-31 This book complements the Geological Society's Special Publication 362 Military Aspects of Hydrogeology Generated under the auspices of the Society's History of Geology and Engineering Groups it contains papers from authors in the UK USA Germany and Austria Substantial papers describe some innovative engineering activities influenced by geology undertaken by the armed forces of the opposing nations in World War I These activities were reactivated and developed in World War II Examples include trenching from World War I tunnelling and quarrying from both wars and the use of geologists to aid German coastal fortification and Allied aerial photographic interpretation in World War II The extensive introduction and other chapters reveal that military geology has a longer history These chapters relate to pre twentieth century coastal fortification in the UK and the USA conflict in the American Civil War long term going assessments for German forces tunnel repair after wartime route denial in Hong Kong and tunnel detection after recent insurgent improvisation in Iraq

Trench Warfare Stephen Bull, 2003 Trench Warfare looks at that most static form of war the trenches of World War I The Introduction examines the precedents and precursors to the European charnel house that saw nearly eight million dead on both sides and the technology of mass slaughter the machine guns and artillery pieces that would cause such casualties The first chapter looks carefully at the trench itself how they were built and the way this changed over four years of warfare It looks at the siting of weapons at mining and counter mining concealment and deception so necessary after the advent of airborne reconnaissance There is detailed coverage of wire and defensive emplacements such as bunkers and pillboxes and a discussion on patrolling raiding and observation missions into No Man's Land Next the key specialists of trench warfare are examined the snipers bombers machine gunners and the stormtroopers who actually did the fighting how their missions changed over the years of war and what they felt about their job
