Hosted by: Daniel Colón

# Astrologically Speaking

**Alfred John Pearce**

## **Astrologically Speaking:**

**Love and Sex, Astrologically Speaking** R. O. N. S. KING, 2009-09-24 This book is about love and sex as seen within Astrology It contains charts of famous people and thoughts on how love is used **Learn How to Read Your Astrological Birth Chart** James David Rockefeller, Do you believe that the planets and their interplay with our Earth influence our lives whether past present or future Do you believe that the positioning of the planets at the time of your birth actually determines the life you have led so far and the life you will have in the future Do you wish there was a way to actually know how the positioning of the planets influences you and your life and how you could use that knowledge to your advantage If yes then look no further because the answer lies in astrology Astrology is the study of the patterns and relationships of the planets in motion and the earth Astrologers believe it to be a science although it falls more under the category of metaphysics that is it studies something which lies beyond the physical In this book you will be able to learn what astrology is all about as well as about the different parts of your astrological horoscope or birth chart **Astrological Gleanings** Llewellyn George, 1912

**Esoteric Astrology** Alan Leo, 1913 *The Elements of Astrology* Luke Dennis Broughton, 1906 *The Bible Speaks On Miracles And Providence* Kevin Townsend, 2021-05-13 An in depth look into the Bible definition of miracles and divine providence The book provides how the Bible defines these words and concepts as well as what they are designed by God to do It also contrasts and compares these two concepts with each other [The Complete Idiot's Guide to Astrology](#) Madeline Gerwick-Brodeur, Lisa Lenard, 2003 With complete explanations of all the houses signs and their meanings as well as information on astrology's connection with other metaphysical arts *The Complete Idiot's Guide to Astrology* 3rd Edition retains all of the information that contributed to the success of the first and second editions In addition the latest edition provides new information on the psychological aspects of astrology and the influences that planetary cycles have on people's lives **Astrology, Science of Knowledge and Reason** Ellen H. Bennett, 1897 *Dante's Christian Astrology* Richard Kay, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press's distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas **Modern Astrology**, 1891 [Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination: Book 3: Khayyami Astronomy](#) Mohammad H. Tamdgidi, 2021-06-01 Omar Khayyam's Secret Hermeneutics of the Robaiyat in Quantum Sociological Imagination is a twelve book series of which this book is the third volume subtitled Khayyami Astronomy How Omar Khayyam's Newly Discovered True Birth Date Horoscope Reveals the Origins of His Pen Name and Independently Confirms His Authorship of the Robaiyat Each book is independently readable although it will be best understood as a part of the whole series In the overall series the transdisciplinary sociologist Mohammad H Tamdgidi shares the results of his decades long research on Omar Khayyam the enigmatic 11th 12th centuries

Persian Muslim sage philosopher astronomer mathematician physician writer and poet from Neyshabour Iran whose life and works still remain behind a veil of deep mystery Tamdgidi's purpose has been to find definitive answers to the many puzzles still surrounding Khayyam especially regarding the existence nature and purpose of the Robaiyat in his life and works To explore the questions posed he advances a new hermeneutic method of textual analysis informed by what he calls the quantum sociological imagination to gather and study all the attributed philosophical religious scientific and literary writings of Khayyam Omar Khayyam's true birth date horoscope as newly discovered in this series is comprised of a dazzling number of Air Triplicities sharing a vertex on a Sun Mercury Cazimi point on the same Ascendant degree 18 of Gemini Among other features his Venus Sextile with Moon also plays a lifelong secretly creative role to intentionally balance his chart These features would not have escaped the attention of Omar Khayyam a master astronomer and expert in matters astrological no matter how much he embraced doubted or rejected astrological interpretations In this third book of the series conducting an in depth hermeneutic analysis of Khayyam's horoscope Tamdgidi reports having discovered the origins of Khayyam's pen name in his horoscope The long held myth that Khayyam was a parental name even if true in no way takes away from the new finding it only adds to its intrigue Tamdgidi's hermeneutic analysis of Khayyam's horoscope in intersection with extant Khayyami Robaiyat also leads him to discover an entirely neglected signature quatrain that he proves could not be from anyone but Khayyam one that provides a reliably independent confirmation of his authorship of the Robaiyat He also shows how another neglected quatrain reporting its poet to have aged to a hundred is from Khayyam This means all the extant Khayyami quatrains are now in need of hermeneutic reevaluation Tamdgidi's further study of a sample of fifty Khayyami Robaiyat leads him to conclude that their poet definitively intended the poems to remain in veil that they were considered to be a collection of interrelated quatrains and not sporadic separate quatrains written marginally in pastime that they were meant to offer a life's intellectual journey as in a book of life that the poems critically nuanced engagement with astrology was not incidental but essential throughout the collection and that judging from the signature quatrain discovered 1000 quatrains were intended to comprise the collection Oddly it appears that after all The Khayyam who stitched his tents of wisdom was a trope that had its origins in Omar Khayyam's horoscope heavens
