**Passive Income Ideas** Michael Cruz, 2020-04-03

The concept of making money when you sleep has drawn a crowd to the pursuit of passive income Theoretically you put in some time and money in the start then relax and let the money pour in when you focus on other things This appears like a dream become a reality but it s mostly only a dream In today s workforce relying on one income source is risky Job protection is rarely guaranteed and a little extra cash is useful always By using your primary income source to cover basic expenses you may use extra income streams to pay off debts reduce your economic burden or avoid going further into debt when you are able to pay for larger purchases up front rather than with a credit card or loan Conversely passive income is cash that continues to pay out following the initial work is done Traditionally income that were considered passive generally included money earned from investments in shares or profit acquired by a person who had invested in accommodations property but wasn t involved in the management or day to day functions of that property This book covers Passive Income Dropshipping Affiliate Marketing Blogging Dividend Stocks Merch By Amazon Programs Amazon Fba Ebook Online Courses Freelancing As A Virtual Assistant AND MORE These are great ways to make passive income still although they require a substantial investment right from the start With the rise of the internet the potential to develop passive income is around every corner if you know where to look and you will get started with much smaller investments Although you absolutely can drastically reduce the amount of time you may spend working throughout the full week a passive income stream won t be quite passive fully In order to ensure you possess a well curved understanding of all aspects of your business it is suggested to be as included as you can be in the start You can then outsource whatever you don t want to do or that you aren t well suited for to experts or automate with software Among the great perks of working online is that you can have got multiple businesses creating income for you without the trouble of owning or renting different buildings hiring managers personnel maintenance etc or trying to find and attract a person base in your area Your online businesses could be available to anyone across the globe twenty four hours a time 3 hundred sixty five days a full year With outsourcing and automation these tools can grow

your client base and make you money any moment of day or night with minimal involvement on your own part It s never too late to begin with building passive income and you don t need to be a trained businessperson to begin with building your own business online If you are ready to put in your time and effort to learn and improve as you move you can build an effective business and passive income stream in addition to anyone With an online business you will be your own boss and work from you want anywhere And the best part is that there is no cap on how much money you may make With patience and persistence you can perform the financial freedom we all fantasy of and you can eventually reduce your functioning hours to less than those of a part time job while still maintaining plenty of income Want to start your journey to financial freedom
