A History of the Presidency ... Edward Stanwood,1898 **A History of the Presidency: From 1897-1916** Edward Stanwood,1916 [A History of the Presidency, from 1788 to 1897](#) Edward Stanwood,1912 **The History of the American Presidency** John Bowman,2003-09 Individual chapters on each president highlight the important events in their administration but give equal time to their backgrounds family life and education military and political careers and their lives following their terms of office **The American Heritage History of the Presidency** Marcus Cunliffe,1968 This discussion of the Presidency as an institution is an examination of the office itself offered on a chronological framework *A History of the Presidency* Edward Stanwood,1898 [The Presidency](#) Michael Nelson,1996 [A History of the Presidency, from 1788-1916](#) Edward Stanwood,1916 **A History of the Presidency** Edward Stanwood,1926 **A History of the Presidency (Classic Reprint)** Edward Stanwood,2017-12-02 Excerpt from *A History of the Presidency* The basis of this book is the History of Presidential Elections originally published in 1884 In the preparation of that work the meagreness and comparative inaccessibility of material concerning the early elections made the chapters that deal with that period somewhat barren Increasing abundance of material and greater familiarity with the political history of more recent times caused a broadening of the plan and led to the result that the later chapters of the original work and still more the chapters added in subsequent editions in 1888 1892 and 1896 were much more than a history of the elections I have thought that the usefulness of the book might be greatly enhanced by rewriting a large part of it supplying deficiencies by a more diligent search for and study of the facts relating to the presidency in the early days of the government and enriching it throughout with new personal explanatory and other enlightening matter thus making the whole work uniform in method This has enabled me to introduce a fuller discussion of some of the political problems to which the constitutional provisions regarding the presidential office have given rise More important still the revision and expansion of the work have given me a much desired opportunity to modify some opinions expressed in the original book which a more careful and thorough examination of original sources of information has led me to regard as not well founded The last consideration has the more weight in view of the use that has been made of the book in the history departments of our colleges About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
