A Hood Legend:

A Hood Legend Ryan Mark "Duke" Lewin,2008-09-14 The book is a story about a kid growing up with a desire to beat the odds The themes of drugs sex hip hop and graffiti represent the ground work for the main character s voice which he uses to describe his travels A very serious accident in Cancun Mexico drives the plot and acts as a turning point in the novel [A Hood Legend](#) Porter Davieau,2008-06-11 This conceptualized autobiography depicts the life and times of the author who in every aspect clearly defines the parameters of stretching limits There is a notable rising action encompassed in the plot that sees a major accident in Cancun Mexico to drive the story More important are the historical influences of pain which are derived prior to the accident however the recovery which closely follows has been delicately foreshadowed and discussed in detail by the themes of fate There are many others character s demeanor but it is my utmost intent to give the reader a main course set out across a blanket of words that shelter my hip hop ebonics cultured narrative voice which is found in the novel

Yvonne,2020-07-30 They say when it comes to hood love it's double or nothing and all is fair when it comes to the streets Although it may not show up in a fairytale fashion love shows up when you least expect it After dealing with a heartbreak Jania learns the hard way until an unexpected love drops in her lap during one of the most fearful nights of her life Jania would do anything to get her Ex off of her mind just for something to do until she realizes just how official her new love interest proves to be Remy and Cam have been on a wild ride for years but when you put two toxic personalities together disaster is usually lingering around Aware of the underlying issues between them they'll have to decide how hard they are willing to fight or whether some things are better letting go Although only a cousin to Remy and Jania KeKe's relationship with them was so much more The love that the three of them share for one another is like no other and they would go to extreme measures to see KeKe happy as well When KeKe's man Trick forces her into some trying times the girls are right there to help her pick up the pieces When Million shows up in her life he prides himself in showing her how a real man is supposed to move It's a known fact that when you lay down with dogs you get bit by fleas but what's the price for laying down with a Hood Legend **Boo'd Up With A Hood**

could either kill them or have them both serving double digit years in prison they face some tough decisions Either they stand by their code or give a pass to someone they look up to for doing the unthinkable Now that the weight of the world is on their shoulders neither of them has the time to think about starting a relationship with anyone Their primary focus is to handle the street dilemma that they now have to rectify What happens when you meet the one person you could see a future with but the timing is all wrong They say love comes when you least expect it But it can also come when you re in the midst of a fight for your life and freedom What will Legend and Justin do Will they allow love into their world Or will they put it on the back burner until their street issues are done Some meetings aren t by chance or coincidence People cross your path because they are supposed to
