A Life In Poetry

A Life In Poetry:

James Wright Jonathan Blunk, 2017-10-17 The authorized and sweeping biography of one of America's most complex influential and enduring poets. In the extraordinary generation of American poets who came of age in the middle of the twentieth century, James Wright (1927-1980) was frequently placed at the top of the list. With a fierce, single-minded devotion to his work, Wright escaped the steel town of his Depression-era childhood in the Ohio valley to become a revered professor of English literature and a Pulitzer Prize winner. But his hometown remained at the heart of his work, and he courted a rough, enduring muse from his vivid memories of the Midwest. A full-throated lyricism and classical poise became his tools; honesty and unwavering compassion, his trademark. Using meticulous research, hundreds of interviews, and Wright's public readings, Jonathan Blunk's authorized biography explores the poet's life and work with exceptional candor, making full use of Wright's extensive unpublished work, letters, poems, translations, and personal journals. Focusing on the tensions that forced Wright's poetic breakthroughs and the relationships that plunged him to emotional depths, Blunk provides a spirited portrait and a fascinating depiction of this turbulent period in American letters. A gifted translator and mesmerizing reader, Wright appears throughout in all his complex and eloquent urgency. Discerning yet expansive, *James Wright* will change the way the poet's work is understood and inspire a new appreciation for his enduring achievement. [My Lost Poets](#) Philip Levine, 2018-04-03 Now in paperback, essays, speeches, and journal entries from one of our most admired and best-loved poets that illuminate how he came to understand himself as a poet, the events and people that he wrote about, and the older poets who influenced him. In prose both as superbly rendered as his poetry and as down to earth and easy as speaking, Levine reveals the things that made him the poet he became. In the title essay, originally the final speech of his poet laureate year, he recounts how, as a boy, he composed little speeches walking in the night woods near his house, and how he later realized these were his first poems. He wittily takes on the poets he studied with in the Iowa Writers Workshop: John Berryman, who was his great teacher and lifelong friend, and Robert Lowell, who was neither. His deepest influences—jazz, Spain, the working people of Detroit—are reflected in many of the pieces. There are essays on the Spanish poets he admires, on William Carlos Williams, Wordsworth, Keats, and others. A wonderful, moving collection of writings that add to our knowledge and appreciation of Philip Levine, both the man and the poet. [My Life in Poetry](#) Stanton A. (Stanton Arthur) Coblentz, 2025-12-12 *My Life in Poetry* by Stanton A. Coblentz invites readers into the personal and intellectual world of a distinguished American poet. The ROAD OF Life: A Life In Poetry Julie Green,2020-08-22

My Time, My World Pratheek Praveen Kumar,2017-01-27 Time and world in the current global village concern everybody and everyone whether young or old must pay at least some attention to correctly gauge the prevailing winds blowing in and around the world at that time The complex nature of the time and the world is very difficult to untangle and hopelessly mired in depths we may not know or things of which we have got no comprehension In this book I have tried to summarize events situations personalities and at occasions a few stories that bring deeper comprehension of the world and its affairs in the larger canvas of the political and cultural dynamics of the time and their interplays as I see them in moving the world forward The topics on which I wrote were all topics on which I felt rather strongly about or topics that I felt important I hope they are enjoyed and appreciated by all those who read them While writing the book I was often tempted to add my own comments about what I felt about the issue at hand but in the end I successfully resisted such temptations and restricted myself to the truth as I saw it So this book is a publication on world affairs with just occasional comments of universal nature here and there Another problem I encountered while writing this book was the abundance of materials to select from Several events of recent origin raced through my mind for space but I had to be choosy to limit myself to the planned format of my book Further recent developments are too recent and hot to gauge dispassionately and earn space for objective analyses Therefore I avoided such

materials as much as possible in this volume This holds true about India also Though this book is India centric in world affairs I avoided all opinions and comments on India related matters for the fear of being partisan This volume is not planned as a platform for such contents Nec Dextrorsum Nec Sinistrorsum is the theme here and I tried my best to maintain it Often I had been tempted to stray into topics quite unrelated to the theme of the book Managing it and keeping my course on the track was the toughest part of my work My Time My World opened up limitless vista for entry Again I succeeded in confining myself to my Lakshmana Rekha
