A Load Of Blair:

Blair's Wars John Kampfner,2003 No Prime Minister in modern times has led Britain into as many wars as Tony Blair In six years in office he committed soldiers to action in Kosovo Iraq Sierra Leone and Afghanistan This analysis shows how Blair's government sought to be at the forefront of a turbulent world order **Blair's Attic** Joseph Crosby Lincoln,Freeman Lincoln,1929 Trump's Democrats Stephanie Muravchik,Jon A. Shields,2020-09-29 Why did hundreds of Democratic strongholds break for Donald Trump in 2016 and stay loyal to him in 2020 Looking for answers Muravchik and Shields lived in three such flipped communities There they discovered a political culture that was Trumpy long before the 45th president arrived on the national political scene In these places dominated by the white working class some of the most beloved and longest serving Democratic leaders are themselves Trumpian grandiose combative thin skinned and nepotistic Indifferent to ideology they promise to take care of their people by cutting deals and corners if needed Stressing loyalty they often turn to family to fill critical political roles Trump resembling these old style Democratic bosses strikes a familiar and appealing figure in these communities Although voters in flipped communities have often been portrayed as white supremacists Muravchik and Shields find that their primary political allegiances are to place not race They will spend an extra dollar to patronize local businesses and they think local jobs should go to their neighbors not foreigners from neighboring counties who are just as likely to be white and native born Unlike the Proud Boys they take more pride in their local communities than in their skin color Trump successfully courted these Democrats by promising to revitalize their struggling hometowns Because these communities largely stuck with Trump in 2020 Biden won the presidency by just the thinnest of margins Whether they will continue to support a Republican Party without Trump or swing back to the Democrats depends in part on which party can satisfy these locally grown political tastes and values The party that does that will enjoy a stranglehold in national elections for years to come *Investigation of the National Defense Program* United States.
