She tried anything to get rid of this inside pain and still look normal outside As she grew it took her down a dark spiral staircase into a world of sex drugs alcohol to numb the pain in her mind and heart which were growing darker and harder by the moment Her life was raw in your face She tells it as she lived it The pain will follow us through life if we don't face it deal with it She found hope on her quest to live a normal life Take this journey with her see there is hope for you as well *Dark Vs Bright* Somil Shah,2015-02-11 The book *bright vs dark* is a book with short stories and poems which have a touch of nature love relationships IT IS NOT A BOOK BASED ON ROMANCE It shows how a young child feels and sees the world around him when he is exposed to real life experiences **The Rise of the Kingdom of Heaven, Volume 1 (Paperback)** Gerhard Alm,2008-10-25 Living in a Hippie Community in the Australian rainforest I in January 1992 started to write about my visions and spiritual experiences I described ten places in our heads as homes of the human spirit There are many publicly known people who are involved in the move of the Earth to a higher dimension in 2013 More than 200 000 people live on Earth and at the same time on a parallel world which is a home for immortal people The evangelist John spoke with a Cross of Light I believe that a new Cross of Light will appear on Earth soon In July 1979 I met the devil and his wife on the inner German border I name some people who have been the devil of previous Earth like planets in older universes Alex Collier wrote in 95 that since my 40th birthday on 3 23 1994 vibrations leave all black holes of our local universe changing its nature lifting all planets into higher dimensions I believe these frequencies come from the Immortals living on Earth now including me **An Encyclopedia of Shamanism Volume 2** Christina Pratt,2007-08-01 Shamanism can be defined as the practice of initiated shamans who are distinguished by their mastery of a range of altered states of consciousness Shamanism arises from the actions the shaman takes in non ordinary reality and the results of those actions in ordinary reality It is not a religion yet it demands spiritual discipline and personal sacrifice from the mature shaman who seeks the highest stages of mystical development *Lost Souls* Samuel G. Mobley,2019-08-05 *Lost Souls* is written to inspire teach and be a light in a darkened world Its priority is to lead others to a right relationship with Christ This book is written in a way to inspire you lift you up and bring you to a closer relationship with our Lord and Savior Jesus Christ These poems were written by Samuel G Mobley through the inspiration of the Holy Spirit They were written to make each and every one realize that life has challenges and that we must make good choices to achieve the right results *A Lost Soul* Clarence Edward Noble Macartney,1957 *Dark Mountains* Thirteen Press,2014-04-17 All mountains forced up from the earth's crust by forces greater than we can imagine in a time so far in the past that we can imagine carry an aura of climb me at your own risk puny earthling But there are mountains which are truly dark ones which hold secrets that are only uncovered at our peril Take the rocky pathway to the summit see what awaits you *Musings of a Lost Soul* Siddharth Malu,2020-04-09 This collection consists of two decades of pain and joy and many emotions in between If you like rhyming and free verse with prose interspersed you will like this work my first I would love nothing more than to wax eloquent about this collection of thoughts

and to say that it is a peek into my Soul which it is But my own mischievousness prevents me from saying these things And so it goes for this book as well these are things I penned to prevent myself from going stark raving mad Do with it what you will enjoy it embrace it reject it hate it or love it for it encompasses a number of emotions I have found some measure of peace after writing them and I hope you do too after reading them The Gift of Wisdom Kayla Dargin,2021-07-11 The Gift of Wisdom is based on true events about my life The character names differ from actual family members friends It ll make you laugh and cry but most of all it ll help other lost souls find themselves My grandmother always said the same thing that ll make you laugh will make you cry Tap into the mind of a young girl growing up with no mother or father Experience how she had to go through it to grow through it **The Glowing Image of a Lost Soul** Ann Connors,2015-01-07 **A lost soul, and other tales** J.
