McGrath, 2008-04-15 This engaging book by one of today's best known Christian writers explores the history of heaven from its origins in biblical writings to its most recent representations A short accessible book on the history of heaven Draws together representations of heaven by a wide range of writers theologians politicians and artists Covers literary works such as Dante's Divine Comedy Bunyan's Pilgrim's Progress and the poems of George Herbert Considers discussions by Marx and Freud of heaven's role in society Based on serious scholarship but is ideal for the non specialist who wants to learn more about the idea of heaven Alister E McGrath is one of today's best known Christian writers **The Early History of Heaven** J. Edward Wright, 2000 This volume traces the backgrounds origin and development of early Jewish and Christian speculation about the heavenly realm where it is what it looks like and who its inhabitants are **The Early History of Heaven** J. Edward Wright Associate Professor of Hebrew Bible and Early Judaism University of Arizona, 1999-12-13 When we think of heaven we generally conjure up positive blissful images Heaven is after all where God is and where good people go after death to receive their reward But how and why did Western cultures come to imagine the heavenly realm in such terms Why is heaven usually thought to be up there far beyond the visible sky And what is the source of the idea that the post mortem abode of the righteous is in this heavenly realm with God Seeking to discover the roots of these familiar notions this volume traces the backgrounds origin and development of early Jewish and Christian speculation about the heavenly realm where it is what it looks like and who its inhabitants are Wright begins his study with an examination of the beliefs of ancient Israel's neighbors Egypt and Mesopotamia reconstructing the intellectual context in which the earliest biblical images of heaven arose A detailed analysis of the Hebrew biblical texts themselves then reveals that the Israelites were deeply influenced by images drawn from the surrounding cultures Wright goes on to examine Persian and Greco Roman beliefs thus setting the stage for his consideration of early Jewish and Christian images which he shows to have been formed in the struggle to integrate traditional biblical imagery with the newer Hellenistic ideas about the cosmos In a final chapter Wright offers a brief survey of how later Jewish Christian and Islamic traditions envisioned the heavenly realms Accessible to a wide range of readers this provocative book will interest anyone who is curious about the origins of this extraordinarily pervasive and influential idea **A Short History of Heaven** Joann Greig, 2018-03-28 Heaven has played a central although often unacknowledged role in Western culture This book explores the origins of concepts about heaven and how these may be found in Christianity Early writings from Egypt Mesopotamia Persia Greece and Rome are explored with elements of shamanism as well as the Hebrew and Christian Bibles and gnostic texts The nature of the soul the soul's journey and the role

of morality are also considered The book shows how age old beliefs about life on earth and about heaven are important today Activities are included to encourage readers to explore their own thoughts and feelings about heaven **Paradise Misaid** Jeffrey Burton Russell,2006 In this stimulating book Russell sets out to rehabilitate heaven by forcefully attacking a series of ideas that have made belief in heaven not to mention belief in God increasingly difficult for modern people The Story of Heaven Study Guide with DVD Max Lucado,Randy Frazee,2014-03-20 A Biblical and Hopeful Study from Max Lucado and Randy Frazee on Heaven The Story of Heaven small group video Bible study is a three week exploration into the hope and promise of Heaven that is adapted from God s Story Your Story and The Story Adult Curriculum Pulled straight from the pages of the Bible this study provides individuals and groups of all sizes the opportunity to learn discuss and apply biblical teaching about heaven to their everyday lives These three video sessions will open your eyes to the glorious finale of God s masterfully told story Discover the heart of God s Story and the joy that comes as you align your story with God s The Story of God DVD and included Participant s Guide is designed for use by individuals as well as groups of all sizes including small groups and Sunday school and adult education classes SESSIONS Session 1 Your Final Chapter Becomes a Preface Lucado Session 2 You Will Finally Graduate Lucado Session 3 The End of Time Frazee **Heaven** Bernhard Lang,1990
