

MUSIC IN AMERICAN NINETEENTH-CENTURY HISTORY

Edited by
Billy Coleman and J. M. Mancini

A History Of Nineteenth Century American Polish Music

Michael V Pisani

A History Of Nineteenth Century American Polish Music:

A History of Nineteenth Century American-Polish Music with Annotated Bibliography and Illustrations

Aleksander Janta-Polczyński, 1982 *A History of Nineteenth Century American-Polish Music* Aleksander Janta, 1982 *The Polish American Encyclopedia* James S. Pula, 2010-12-22 At least nine million Americans trace their roots to Poland and Polish Americans have contributed greatly to American history and society During the largest period of immigration to the United States between 1870 and 1920 more Poles came to the United States than any other national group except Italians Additional large scale Polish migration occurred in the wake of World War II and during the period of Solidarity's rise to prominence This encyclopedia features three types of entries thematic essays topical entries and biographical profiles The essays synthesize existing work to provide interpretations of and insight into important aspects of the Polish American experience The topical entries discuss in detail specific places events or organizations such as the Polish National Alliance Polish American Saturday Schools and the Latimer Massacre among others The biographical entries identify Polish Americans who have made significant contributions at the regional or national level either to the history and culture of the United States or to the development of American Polonia *Imagining Native America in Music* Michael V. Pisani, 2008-10-01 This book offers a comprehensive look at musical representations of native America from the pre colonial past through the American West and up to the present The discussion covers a wide range of topics from the ballets of Lully in the court of Louis XIV to popular ballads of the nineteenth century from eighteenth century British American theater to the musical theater of Irving Berlin from chamber music by Dvořák to film music for Apaches in Hollywood Westerns Michael Pisani demonstrates how European colonists and their descendants were fascinated by the idea of race and ethnicity in music and he examines how music contributed to the complex process of cultural mediation Pisani reveals how certain themes and metaphors changed over the centuries and shows how much of this Indian music which was and continues to be largely imagined alternately idealized and vilified the peoples of native America **Historical Dictionary of Poland, 966-1945** Halina Lerski, 1996-01-19 The first authoritative comprehensive historical dictionary of Poland in English this volume includes over 2 000 entries on people events places and terms important to Poland's history from 966 to 1945 Entries include English and Polish language bibliographic sources The student of Polish history seeking specific information on a person or event in medieval times the troubled era leading to the late 18th century partitions of Poland and the Polish nationalist struggles before 1919 reborn Poland in the interwar years or the trauma of World War II will be amply rewarded by the accurate concise information provided in this unique historical dictionary Each of the alphabetically arranged entries is followed by pertinent bibliographic sources in both English and Polish languages A list of abbreviations a note on the Polish alphabet and a series of historical maps precede the entries Helpful cross references are provided throughout the text and in the index A general bibliography precedes the index After five years of work George Lerski completed the original manuscript in 1992

shortly before his untimely death The special editing subsequently undertaken preparatory to publication has remained faithful to the original work its concept organization and purpose

Nineteenth-Century Choral Music Donna M. Di Grazia, 2013-03-05 Nineteenth Century Choral Music is an in depth examination of the rich repertoire of choral music and the cultural phenomenon of choral music making throughout the period The book is divided into three main sections The first details the attraction to choral singing and the ways it was linked to different parts of society and to the role of choral voices in the two principal large scale genres of the period the symphony and opera A second section highlights ten choral orchestral masterworks that are a central part of the repertoire The final section presents overview and focus chapters covering composers repertoire both small and larger works and performance life in an historical context from over a dozen regions of the world Britain and Ireland the Czech Republic France Germany Hungary Italy Latin America the Philippines Poland Russia Scandinavia and Finland Spain and the United States This diverse collection of essays brings together the work of 25 authors many of whom have devoted much of their scholarly lives to the composers and music discussed giving the reader a lively and unique perspective on this significant part of nineteenth century musical life

East Central Europe in Exile Volume 1 Anna Mazurkiewicz, 2014-10-16 The East Central Europe in Exile series consists of two volumes which contain chapters written by both esteemed and renowned scholars as well as young aspiring researchers whose work brings a fresh innovative approach to the study of migration Altogether there are thirty eight chapters in both volumes focusing on the East Central European migr experience in the nineteenth and twentieth centuries The first volume Transatlantic Migrations focuses on the reasons for emigration from the lands of East Central Europe from the Baltic to the Adriatic the intercontinental journey as well as on the initial adaptation and assimilation processes The second volume is slightly different in scope for it focuses on the aspect of negotiating new identities acquired in the adopted homeland The authors contributing to Transatlantic Identities focus on the preservation of the East Central European identity maintenance of contacts with the old country and activities pursued on behalf of and for the sake of the abandoned homeland Combined both volumes describe the transnational processes affecting East Central European migrants

Bugle Resounding Bruce C. Kelley, Mark A. Snell, 2004-10-12 In the mid nineteenth century the United States was musically vibrant Rising industrialization a growing middle class and increasing concern for the founding of American centers of art created a culture that was rich in musical capital Beyond its importance to the people who created and played it is the fact that this music still influences our culture today Although numerous academic resources examine the music and musicians of the Civil War era the research is spread across a variety of disciplines and is found in a wide array of scholarly journals books and papers It is difficult to assimilate this diverse body of research and few sources are dedicated solely to a rigorous and comprehensive investigation of the music and the musicians of this era This anthology which grew out of the first two National Conferences on Music of the Civil War Era is an initial attempt to address that need Those conferences established the first academic

setting solely devoted to exploring the effects of the Civil War on music and musicians Bridging musicology and history these essays represent the forefront of scholarship in music of the Civil War era Each one makes a significant contribution to research in the music of this era and will ultimately encourage more interdisciplinary research on a subject that has relevance both for its own time and for ours The result is a readable understandable volume on one of the few understudied yet fascinating aspects of the Civil War era

Polish Music Literature (1515-1990) Kornel Michałowski, 1991 *The Polish Review*, 1986 Bibliographic Guide to Music New York Public Library. Music Division, 2004 *Unbinding Gentility* Candace Bailey, 2021-04-13 A Choice Outstanding Academic Title for 2022 Hearing southern women in the pauses of history Southern women of all classes races and walks of life practiced music during and after the Civil War Candace L Bailey examines the history of southern women through the lens of these musical pursuits uncovering the ways that music s transmission education circulation and repertory help us understand its meaning in the women s culture of the time Bailey pays particular attention to the space between music as an ideal accomplishment part of how people expected women to perform gentility and a real practice what women actually did At the same time her ethnographic reading of binder s volumes letters and diaries and a wealth of other archival material informs new and vital interpretations of women s place in southern culture A fascinating collective portrait of women s artistic and personal lives *Unbinding Gentility* challenges entrenched assumptions about nineteenth century music and the experiences of the southern women who made it Polish Music William Smialek, 1989 Music in German Immigrant Theater John Koegel, 2009 A history the first ever of the abundant traditions of German American musical theater in New York and a treasure trove of songs and information Nineteenth century New York was after Berlin and Vienna the third largest German populated city in the world German language musical plays and light operas held an important niche in the lives of German immigrants and their families John Koegel s *Music in German Immigrant Theater* New York City 1840 1940 tells for the first time the engrossing story of these theater works and the many musical numbers from them that became popular as separate songs Koegel documents performances in German of plays by Shakespeare and Goethe and operas by Offenbach Verdi and Johann Strauss And he draws long needed attention to German American musical comedies written beginning in the 1890s by ethnic parodist Adolf Philipp As their titles suggest *Der Corner Grocer aus der Avenue A* and *Der Pawnbroker von der Eastside* these musicals related directly to the daily experiences of the immigrant population *Music in German Immigrant Theater* is enriched by copious photographs sheet music title pages and musical examples as well as numerous sets of song lyrics some uproarious others touching in German and in English translation The accompanying CD includes recordings of many of the songs discussed in the book John Koegel is Professor of Musicology at California State University Fullerton WINNER 2009 ForeWord Reviews Book of the Year Award music category This book is also included in the AAUP s 2010 University Press Books Selected for Public and Secondary School Libraries along with a number of other URP books by experiences of the immigrant population *Music in*
