A History Of Political Economy:

A History of Political Economy John K. Ingram, 2013-06-27 Published in 1888 this work is one of the central contributions to the debate between the orthodox and historicist schools of economics [A History of Political Economy](#) Gustav Cohn, 1894 *A History of Political Economy* John Kells Ingram, 1910 **A History of Political Economy** Gustav Cohn, 1894 **A History of Political Economy** John K. Ingram, 2015-07-04 Excerpt from A History of Political Economy It is with great pleasure that I embrace the opportunity afforded me by the publishers of Dr Ingram s History of Political Economy to commend the book to the attention of the American public Dr Ingram needs no introduction to our students of economics His work in the Encyclopaedia Britannica has attracted marked attention wherever earnest thinkers are studying the social and economic problems of our time whether in Europe or America The present treatise deserves especial notice as the first serious attempt by a properly qualified English writer to present a view of the progress of economic thought The works of M Culloch and Twiss on the same subject were of value only because there was nothing else on the same topic They testify eloquently to the exceedingly primitive state of the history of economic thought and policy which existed in their day The work of Blanqui recently translated into English is rather a history of economic systems and a poor one even as such than of economic theories and doctrines Up to the time of the appearance of the nineteenth volume of the Encyclopedia Britannica there was no essay on the subject in English which could be considered a very valuable one We now have a treatise which will compare favourably with any work of similar compass in any other language About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction
