PROLETARIAT

Following the example of our glorious Russian Bolsheviks, the example of the leading Party of the Communist International, the Communist Party of the Soviet Union, we want to combine the revolutionary heroism of the German, the Spanish, the Austrian and other Communists with genuine revolutionary realism, and put an end to the last remnants of scholastic tinkering with serious political questions.

We want to equip our Parties from every angle for the solution of the most complex political problems confronting them. For this purpose we want to raise ever higher their theoretical level, to train them in the spirit of live Marxism-Leninism and not dead doctrinairism.

We want to eradicate from our ranks all self-satisfied sectarianism, which above all blocks our road to the masses and impedes the carrying out of a truly Bolshevik mass policy. We want to intensify in every way the struggle against all concrete manifestations of Right opportunism, realizing that the danger from this side will increase precisely in the practice of carrying out our mass policy and struggle.

We want the Communists of each country promptly to draw and apply all the lessons that can be drawn from their own experience as the revolutionary vanguard of the proletariat. We want them as quickly as possible to learn how to sail on the turbulent waters of the class struggle, and not to remain on the shore as observers and registrars of the surging waves in the expectation of fine weather.

This is what we want!

And we want all this because only in this way will the working class at the head of all the toilers, welded into a million-strong revolutionary army, led by the Communist International and possessed of so great and wise a pilot as our leader Comrade Stalin be able to fulfill historical mission with certainty—to sweep fascism off the face of the earth and, together with it, capitalism!

A History Of The Proletariat:

The Top Books of the Year A History Of The Proletariat The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
