War Office, 1894     *Second Decennial Edition of the American Digest*, 1922     *Married to the Job (RLE Feminist Theory)* Janet Finch, 2012-11-12 *Married to the Job* examines an important but under researched area the relationships of wives to their husbands work Janet Finch looks both at the way women s lives are directly affected by the work their husbands do and how they can get drawn into it These she sees as the two sides of wives incorporation Dr Finch discusses a wide range of occupations from obvious stereotypes services diplomatic clergy and political wives to more subtle but equally valid shades of involvement the wives of policemen merchant seamen prison officers the owners of small businesses and academics She stresses that this process is by no means confined to the wives of professional men she argues that the nature of the work done and the way it is organised are more important pointers to the ways in which wives will be incorporated For specific illustrations Dr Finch draws substantially on her own original research on wives of the clergy *Married to the Job* clearly shows that marriage itself not just child bearing is an important feature of women s subordination Dr Finch points to the links between husband s work the family and its relationship to economic structures and suggests that wives are tied into those structures as much as anything through their vicarious involvement in their husband s work She views any prospects for change with caution The organisation of social and economic life makes it difficult for wives to break free from this incorporation even should they wish to it makes economic good sense for them to continue in most cases social life is organised so as to make compliance easy and it provides a comprehensible way of being a wife As an empirically based survey of women s subordination within marriage *Married to the Job* will prove essential reading to all those concerned about the position of women whether feminists academics or general readers It will also provide important background material for undergraduate courses on women s studies the sociology of the family the sociology of work and family policy     *A Treatise on the American Law of Administration* John Gabriel Woerner, 1899     *The South Western Reporter*, 1907 Includes the decisions of the Supreme Courts of Missouri Arkansas Tennessee and Texas and Court of Appeals of Kentucky Aug Dec 1886 May Aug 1892 Court of Appeals of Texas Aug 1892 Feb 1893 Jan Feb 1928 Courts of Civil and Criminal Appeals of Texas Apr June 1896 Aug Nov 1907 Court of Appeals of Indian Territory May June 1927 Jan Feb 1928 Courts of Appeals of Missouri and Commission of Appeals of Texas     **Reports of Cases and Matters Determined by the Supreme Court and Court of Appeals of South Carolina** South Carolina. **The Pacific Reporter** ,1924      **Intolerable Cruelty** Margaret Kuo,2012-11-17 At the outset of the Nanjing decade 1928 1937 a small group of Chinese legal elites worked to codify the terms that would bring the institutions of marriage and family into the modern world Their deliberations produced the Republican Civil Code of 1929 1930 the first Chinese law code endowed with the principle of individual rights and gender equality In the decades that followed hundreds of thousands of women and men adopted the new marriage laws and brought myriad domestic grievances before the courts Intolerable Cruelty thoughtfully explores key issues in modern Chinese history including state society relations social transformation and gender relations in the context of the Republican Chinese experiment with liberal modernity Investigating both the codification process and the subsequent implementation of the Code Margaret Kuo deftly challenges arguments that discount Republican law as an elite pursuit that failed to exert much influence beyond modernized urban households She reconsiders the dominant narratives of the 1930s and 1940s as dark years for Chinese women Instead she convincingly recasts the history of these years from the perspective of women who actively and successfully engaged the law to improve their lives
