Heaven and Earth and the new Ark of the Covenant *The Passover Plot* Hugh J. Schonfield, 2021-12-16 This is the new official Schonfield Trust edition of the Passover Plot which is probably one of the most controversial books on the role of Jesus the Messiah Yet to say that might detract from its scholarly attention to detail and its furnishing of new insights into the character of the Man who changed the world so radically Thus it is a must read for who are seeking a better understanding Schonfield s aim in life was to build a bridge between peoples and he hoped that by digging into the facts behind the origins of Christianity he would be able to uncover the real Messiah misrepresented since time immemorial His sincere desire was that this understanding would bring together those who had so long been divided Whilst his thesis that Jesus plotted his own crucifixion may seem far fetched or even offensive at first seen in the light of John s Gospel and the thinking of the times it provides food for thought to those with an open mind **Jesus the Jew** Géza Vermès, 2001 A painstakingly researched meticulously documented cogently reasoned and eminently readable book It represents an important step forward in New Testament study which henceforward scholars even if they do not agree with it will not be able to ignore Times Literary Supplement For those who are concerned to penetrate to the historical realities within the gospel records this is an extremely important book Expository Times Can only be described as epoch making Jewish Chronicle In this Geza Vermes best known book there emerges perhaps the closest portrayal that we have of a genuinely historical Jesus Freed from the weight and onus of Christian doctrine or Jewish animus Jesus here appears as a vividly human yet profoundly misunderstood figure thoroughly grounded and contextualised within the extraordinary intellectual and cultural cross currents of his day Jesus the Jew is a remarkable portrait by a brilliant scholar writing at the height of his powers informed by insights from the New Testament Jewish literature and the Dead Sea Scrolls alike *Three Perspectives: Jewish, Christian, and Muslim* Steven H. Propp, 2009-12-30 Youre Jewish arent you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three

of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book Beyond Heaven and Earth in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world

The Jewish Reclamation of Jesus Donald Hagner,1997-04-04 How successful is the Jewish reclamation of Jesus in dealing with the data of the Gospels And how convincing It is Hagner s claim that the Jewish reclamation of Jesus has been possible only by a very selective reading of the Gospels

Ben-Hur: a Tale of the Christ Lew Wallace,2018-01-22 Ben Hur A Tale of the Christ is a novel by Lew Wallace published by Harper and Brothers on November 12 1880 and considered the most influential Christian book of the nineteenth century It became a best selling American novel

surpassing Harriet Beecher Stowe's *Uncle Tom's Cabin* (1852) in sales. The book also inspired other novels with biblical settings and was adapted for the stage and motion picture productions. *Ben-Hur* remained at the top of the US all-time bestseller list until the publication of Margaret Mitchell's *Gone with the Wind* (1936). The 1959 MGM film adaptation of *Ben-Hur* was seen by tens of millions and won 11 Academy Awards in 1960, after which the book's sales increased and it surpassed *Gone with the Wind*. It was blessed by Pope Leo XIII, the first novel ever to receive such praise. The success of the novel and its stage and film adaptations also helped it to become a popular cultural icon that was used to promote numerous commercial products. The story recounts in descriptive detail the adventures of Judah Ben-Hur, a Jewish prince from Jerusalem who is enslaved by the Romans at the beginning of the first century and becomes a charioteer and a Christian. Running in parallel with Judah's narrative is the unfolding story of Jesus from the same region and around the same age. The novel reflects themes of betrayal, conviction, and redemption with a revenge plot that leads to a story of love and compassion.
