A Kipling Companion

Marcel A. Müller

A Kipling Companion:

Kipling Companion Norman Page,1984-06-18 [A Kipling Companion](#) Norman Page,1989 [The Cambridge Companion to Rudyard Kipling](#) Howard J. Booth,2011-09-01 Rudyard Kipling 1865 1936 is among the most popular acclaimed and controversial of writers in English His books have sold in great numbers and he remains the youngest writer to have won the Nobel Prize in Literature Many associate Kipling with poems such as *If* his novel *Kim* his pioneering use of the short story form and such works for children as the *Just So Stories* For others though Kipling is the very symbol of the British Empire and a belligerent approach to other peoples and races This Companion explores Kipling s main themes and texts the different genres in which he worked and the various phases of his career It also examines the afterlives of his texts in postcolonial writing and through adaptations of his work With a chronology and guide to further reading this book serves as a useful introduction for students of literature and of Empire and its after effects **Kipling companion** Gisbert Haefs,1989

The Cambridge Companion to Rudyard Kipling ,2018 Rudyard Kipling 1865 1936 is among the most popular acclaimed and controversial of writers in English This Companion explores his main themes the different genres in which he worked and the various phases of his career It also examines his works afterlives in postcolonial writing and through adaptations of his work [A Robert Louis Stevenson Companion](#) J R Hammond,1984-06-14 [A Conrad Companion](#) Norman Page,2016-01-27 **A George Eliot Companion** F. B. Pinion,1981-10-22 [A Dylan Thomas Companion](#) John Ackerman,1994-01-14 Opening with Thomas s life the book offers vignettes of Swansea in the 1920s and 1930s pre and post war Laugharne and rural West Wales wartime London and New York City in the early 1950s seen through the poet s eyes Thomas s political views are focused on as well as his social attitudes [A George Orwell Companion](#) J. Hammond,2016-04-30 [A Dickens Companion](#) Norman Page,2015-12-22 [Kipling's Art of Fiction 1884-1901](#) David Sergeant,2013-10-31 Kipling s Art of Fiction 1884 1901 re establishes its subject as a major artist Through extended close readings of individual works and unprecedentedly detailed attention to changes in location and readership it distinguishes between two kinds of Kipling fiction The first is coercive and concerned with the authoritarian control of meaning the second relates less directly to its immediate historical surroundings and is more aesthetically complex Misunderstandings have often resulted from confusing the two kinds of work Distinguishing between them allows for a newly coherent account of Kipling s career both explaining his artistic achievement and making clearer his identity as a political writer Changes in Kipling s narrative practice are tracked as he moves from India to Britain and the US and engages with a succession of new audiences and political contexts detailed readings are provided of such key texts as *Plain Tales from the Hills* *The Jungle Books* and *Kim* As well as revealing the precise nature of Kipling s artistry this book shows how properties of narrative which have been generally underrated such as embodiment and externality can be used to make sophisticated fictions and by linking these to Robert Louis Stevenson s discussion of the romance suggests new ways in which such work might be approached [Politics](#)

and Awe in Rudyard Kipling's Fiction Peter Havholm, 2016-12-05 There has been a resurgence of interest in Kipling among critics who struggle to reconcile the multiple pleasures offered by his fiction with the controversial political ideas that inform it Peter Havholm takes up the challenge piecing together Kipling's understanding of empire and humanity from evidence in Anglo Indian and Indian newspapers of the 1870s and 1880s and offering a new explanation for Kipling's post 1891 turn to fantasy and stories written to be enjoyed by children By dovetailing detailed contextual knowledge of British India with informed and sensitive close readings of well known works like *The Man Who Would Be King* *Kim* *The Light That Failed* and *They* Havholm offers a fresh reading of Kipling's early and late stories that acknowledges Kipling's achievement as a writer and illuminates the seductive allure of the imperialist fantasy

The Near East ,1922 **Great Britain and the East**
,1922 **Youth's Companion** ,1927 **Public Opinion** ,1898 Victorian Review ,1995 **The Churchman** ,1897
Armorial Families Arthur Charles Fox-Davies,1895
