

A low-angle, upward-looking photograph of a diverse group of children of various ethnicities and ages. They are all smiling and making peace signs with their hands, which are raised towards the center of the frame. The background is a clear, bright blue sky. The overall mood is positive and hopeful.

A Lasting Peace MAXWELL. KOEPLER GARNETT (H. F.),H. F. Koepler,2019-08-12 First published in 1940 the original blurb reads Here is an inquiry how to make a just and lasting peace when the danger of further aggression by Herr Hitler s Germany has been removed A feature of the book is the stress it lays on Germany s part in forming and fostering a new world order When the World War ended cries of Hang the Kaiser and Squeeze the German Orange hampered the peacemakers and helped to spoil the peace If that mistake is not to be repeated public opinion must be prepared for whatever apparent sacrifices may be involved in passing from the old civilization to the new And if the foundations of the new system are to be well and truly laid they must rest not only upon the undertakings of governments but also upon the convictions and the sentiments the thoughts and the feelings of individual men and women To that end people should begin now to think over and discuss with one another how the errors of Versailles are to be avoided and how we are to do better this time This book by Dr Maxwell Garnett for 18 years the secretary of the League of Nations Union and Dr H F Koepler will help such thought and talk to prepare the way of lasting peace Dr Koepler shows how essential is Anglo French solidarity in the interests of Germany herself For the rest he is chiefly concerned with the conflict between German democracy and Prussian Junkerdom as he defines it He

suggests how this conflict may be resolved when the Nazi disciples of the Junkers have left the scene and how Germany may then play an equal part in a new Europe
