A Layman Looks At Evolution:

A Layman Looks at Evolution Vivian Stover,1978 Creation or Evolution: a Layman's Look William O' Leary,2021-07-06
Although I wrote this book from a believer s viewpoint I tried to be as objective as possible Above all I am a seeker of truth Not truth from a worldview or truth according to the individual I believe there is a higher truth an absolute truth And I believe truth is found only in the Bible and in the person of Jesus **A Layman Looks at Evolution** John Henry Sheldon Lee,1943 *A Layman Looks at the Gods of the Bible* John L. Matthews,1970 **A Layman's Look at Cults And The Occult** Alton Crapps,2012-07-18 Alton Crapps lives in Leesville S C and is an elder of his Baptist Church He has been doing short term missions for some 12 years in India as well as other parts of the world It was in India that he was asked to teach on cults This is where the work A Layman s Look At Cults And The Occult first became an idea The indigenous pastors there asked for the study guide Over the years we were given numerous request for the study guide to be published May God bless this work to His glory and to defeat Satan as well **A Layman's Look at the Lord** William Duesler Jr.,William E Duesler, Jr,2007-07 Theological ambiguity can confuse the simplicity of the good news of Jesus Christ Duesler encourages readers to seek answers from Scripture rather than teachers textbooks and theologians Christian A Layman's Look at Life Sean Ferguson,2024-05-16 Consider this small book to be a message in a bottle cast in the ocean If you should find it washed up on your shore you will find it is not a request for help or rescue Rather it s more of a treasure map pointing to a road less traveled by many Using science religion philosophy observation common sense thousands of hours pondering and hundreds of hours studying the author offers some interesting thoughts about life It s not an attempt to sell you anything but an effort to pique your curiosity fire your imagination and hopefully point you to a path of new discovery As a recovered alcoholic who has suffered from lifelong clinical depression the author shares a perspective gained by painful experience and a newly discovered strong foundation upon which to stand The result is a new way to view the world which will lead you to your own path of discovery It should make you question and verify everything you believe Keep asking questions eliminate the frivolous and find your rock to stand on Creation Or Evolution William O' Leary,2020-09-09 Although I wrote this book from a believer s viewpoint I tried to be as objective as possible Above all I am a seeker of truth Not truth from a worldview or truth according to the individual I believe there is a higher truth an absolute truth And I believe truth is found only in the Bible and in the person of Jesus A Layman's Look at a Trilogy of Church Related Studies Reginald A Kemp Sr,2023-06-21 A layman s look at the church and its conformance to the pattern established in Scripture Are Science and Religion at Strife?
