Gunn,2016-11-01 It has intrigued many that unlike Hong Kong Macau avoided direct Japanese wartime occupation albeit being caught up in the vortex of the wider global conflict Geoffrey Gunn and an international group of contributors come together in *Wartime Macau Under the Japanese Shadow* to investigate how Macau escaped the fate of direct Japanese invasion and occupation Exploring the broader diplomatic and strategic issues during that era this volume reveals that the occupation of Macau was not in Japan s best interest because the Portuguese administration in Macau posed no threat to Japan s control over the China coast and acted as a listening post to monitor Allied activities Drawing upon archival materials in English Japanese Portuguese and other languages the contributors explain how under the high duress of Japanese military agencies the Portuguese administration coped with a tripling of its population and issues such as currency food supply disease and survival This volume presents contrasting views on wartime governance and shows how the different levels of Macau society survived the war *Wartime Macau* deals with a fascinating and woefully understudied topic The essays collected here show that there was no singular experience of World War II in Macau how one experienced the war depended on a complex calculus of ethnicity class and connections And yet taken together these experiences shaped the trajectory of the city s political and social development for decades to come Cathryn H Clayton University of Hawai i at M noa This book represents a real breakthrough Previous English language accounts of Macau during the World War II have focused largely on the activities of the British in this neutral Casablanca Drawing extensively on Portuguese Japanese and local Macanese sources Geoffrey Gunn and his team have assembled a far broader picture revealing the dilemmas and choices of Portugal s beleaguered colonial government and placing Macau in a geopolitical context that stretched from the Azores to Australia Philip Snow author of *The Fall of Hong Kong*      *A libertação de Timor na II Guerra Mundial* Carlos Bessa,1992-01-01      *Timor Loro Sae* Geoffrey C.
