A Little Night Music Vocal Score Revised:

Here for the Hearing Michael Buchler, Gregory John Decker, 2023-05-22 This book offers a series of essays that show the integrated role that musical structure including harmony melody rhythm meter form and musical association plays in making sense of what transpires onstage in musicals Written by a group of music analysts who care deeply about musical theater this collection provides new understanding of how musicals are put together how composers and lyricists structure words and music to complement one another and how music helps us understand the human relationships and historical and social contexts Using a wide range of musical examples representing the history of musical theater from the 1920s to the present day the book explores how music interacts with dramatic elements within individual shows and other pieces within and outside of the genre These essays invite readers to consider issues that are fundamental both to our understanding of musical theater and to the multiple ways we engage with music

Music Theory through Musical Theatre John Franceschina, 2015-07-01 Music Theory through Musical Theatre provides a way of teaching music theory by way of musical theatre Not simply a traditional music theory text the book tackles the theoretical foundations of musical theatre and musical theatre literature with an emphasis on preparing students for a professional career

The American Musical and the Performance of Personal Identity Raymond Knapp, 2010-06-21 The American musical has long provided an important vehicle through which writers performers and audiences reimagine who they are and how they might best interact with the world around them Musical are especially good at this because they provide not only an opportunity for us to enact dramatic versions of alternative identities but also the material for performing such alternatives in the real world through songs and the characters and attitudes those songs project This book addresses a variety of specific themes in musicals that serve this general function fairy tale and fantasy idealism and inspiration gender and sexuality and relationships among others It also considers three overlapping genres that are central in quite different ways to the projection of personal identity operetta movie musicals and operatic musicals Among the musicals discussed are Camelot Candide Chicago Company Evita Gypsy Into the Woods Kiss Me Kate A Little Night Music Man of La Mancha Meet Me in St Louis The Merry Widow Moulin Rouge My Fair Lady Passion The Rocky Horror Picture Show Singin in the Rain Stormy Weather Sweeney Todd and The Wizard of Oz Complementing the author's earlier work The American Musical and the Formation of National Identity this book completes a two volume thematic history of the genre designed for general audiences and specialists alike

The Oxford Handbook of Sondheim Studies Robert Gordon, 2014 This handbook presents a comprehensive introduction to all aspects of composer lyricist Stephen Sondheim's oeuvre Chapters come from a remarkably wide range of disciplines as they offer new insights into Sondheim's work not only for the stage but also for film and television describing in full how Sondheim has reshaped American musical theater
