Enterprising Internet Affiliate Strategy Laura Maya, 2019-07-18. Today we simply must take the Mobile and Social Web into account if we intend on building a long-term sustainable internet marketing business. And it is in the traffic-generation affiliate businesses strategy promotion where it has the greatest impact. People are social fanatics and always have been. But it's only recently that the Internet has evolved to the point that it's begun to reflect this new social media myopia pertaining to the Mobile and Social evolution continues, and at a frightening pace. In fact, from both a user perspective and a market's perspective, a Social Media Myopia is happening in this crossover span, which will be a much more accurate description than anything else within the next 3-5 years. What's more, within that same period, from a marketer's perspective, virtually EVERYTHING will have changed: how we market, what we market, how we make money online, of which older technologies will be superseded, and how newer users will behave differently is already happening. Finally, this every-tactic strategy that works today will, at the least, have to evolve significantly over the next few years, or they become redundant or become obsolete. In other words, online affiliate marketers need to stay current and bridge into the concept of understanding the *Enterprising Internet Affiliate Strategy* or stay OFF Board and have nothing to fall back on when newer strategies set in again. Truly, as all marketers would have noticed these days, there are many concepts of affiliate strategy: wide niches, options, different platforms, different approaches, most of which can rightfully be termed to be Money-Making machines. Most marketers will usually have their own notion of what affiliate strategies will be what comes to mind when they think about enterprising online strategies: will be common practices like product review sites, affiliate links placed on a blog or within articles, promoting affiliate products to a mailing list, etc. This guide will slightly touch on and provide tested, proven best practices to insure the greatest success across various different efforts. But it is not intended to be an almanac of disparate affiliate marketing tactics. *Enterprising Internet Affiliate Strategy* is intended to

be a Blueprint a precise step by step plan from basic internet marketing enhanced to implementing a specific affiliate marketing business model The Key To Success Is Proper Training One of the biggest reasons that some fail in this business is the simple fact that they do not have the proper training and while there are those who took it up to much as a hobby rather than truly devising a total business strategy They spend their time drowning in a sea of Internet searches that yield less than promising results over hyped scams and a barrage of information that must be fitted together like a jigsaw puzzle for it to make sense Stop The Madness Get a complete and comprehensive guide that will teach you in simple and easy to understand language about this business and how to actually take action and start **The IW\$ Guide to Affiliate Marketing** Tyler G.
