Driscoll,2012-05-01 Introduction There are many misconceptions about credit scores out there There are customers who believe that they don t have a credit score and many customers who think that their credit scores just don t really matter These sorts of misconceptions can hurt your chances at some jobs at good interest rates and even your chances of getting some apartments The truth is of you have a bank account and bills then you have a credit score and your credit score matters more than you might think Your credit score may be called many things including a credit risk rating a FICO score a credit rating a FICO rating or a credit risk score All these terms refer to the same thing the three digit number that lets lenders get an idea of how likely you are to repay your bills Every time you apply for credit apply for a job that requires you to handle money or even apply for some more exclusive types of apartment living your credit score is checked In fact your credit score can be checked by anyone with a legitimate business need to do so Your credit score is based on your past financial

responsibilities and past payments and credit and it provides potential lenders with a quick snapshot of your current financial state and past repayment habits In other words your credit score lets lenders know quickly how much of a credit risk you are Based on this credit score lenders decide whether to trust you financially and give you better rates when you apply for a loan Apartment managers can use your credit score to decide whether you can be trusted to pay your rent on time Employers can use your credit score to decide whether you can be trusted in a high responsibility job that requires you to handle money The problem with credit scores is that there is quite a bit of misinformation circulated about especially through some less than scrupulous companies who claim they can help you with your credit report and credit score for a cost of course From advertisements and suspect claims customers sometimes come away with the idea that in order to boost their credit score they have to pay money to a company or leave credit repair in the hands of so called experts Nothing could be further from the truth It is perfectly possible to pay down debts and boost your credit on your own with no expensive help whatsoever In fact the following 101 tips can get you well on your way to boosting your credit score and saving you money By the end of this ebook you will be able to Define a credit score a credit report and other key financial terms Develop a personalized credit repair plan that addresses your unique financial situation Find the resources and people who can help you repair your credit score Repair your credit effectively using the very techniques used by credit repair experts Plus unlike many other books on the subject this ebook will show you how to deal with your everyday life while repairing your credit Your credit repair does not happen in a vacuum This book will teach you the powerful strategies you need to build the financial habits that will help you to a keep a high credit risk rating It really is that simple Start reading and be prepared to start taking small but powerful steps that can have a dramatic impact on your financial life **How to Build Credit** Kimberly

Peters,2015-01-30 Credit is a part of life these days and if you are one of the many people with poor or bad credit well life can become difficult You will have trouble getting approved for credit and if you are approved you will likely pay higher finance charges That is the reality of having poor credit But the great thing is that almost all of us can rebuild our credit rating and raise our credit scores It is not that difficult once you are aware of what you need to do and how to do it Even if your credit is great now we can show you how keep it that way How to Build Credit will show you how to build a good credit profile and tell you how to go about improving your credit score You will eventually be able to get lower interest rates be approved for more loans and other opportunities and once again be able to live the kind of financial life you always wanted It s not difficult once you know how and How to Build Credit will show both the new and veteran credit user just how it s done We will show you how to create good credit rehabilitate bad or poor credit and how to develop new habits that will help keep your credit rating as high as possible for years How to Build Credit will soon become your most valuable financial resource
