A Step By Step Guide To Create Viral Content, Build Traffic, And Turn Your Blogging Passion Into Profit. How To Write Blog Posts That Go Viral Without Selling Out. If you have ever thought about sharing your experiences and knowledge with the world through a blog, only to put it off because the technical mumbo jumbo really scares the shit out of you. But somewhere deep down inside, you know that you have it in you. Then you see these top bloggers selling their advice and products and making a ton of money. Actual money, and you think, what kind of secrets get them where they are? And you wonder, do you have it in you? Trust me when I say that I have been through the same shit over and over again, and finally, said enough is enough. And here in this book, you will know the exact tactics that will help you run a cool, funky blog. This little book is about a proven, easy-to-follow system: *How to Start and Boost a Blog from Scratch: Blogging for Novice Marketers*. I am not going to tell you that read this and you will kill it in 60 seconds or 5 minutes. Many guides claim that, but I do not because that doesn't happen in real life. Learning something new takes time, a little bit of unlearning, too, and some frustration. I am more concerned about setting a blog right because redoing the whole thing is a waste of time for both of us. Starting it all with a success mindset. The book includes tips, tricks, and tactics from my own experiences and also from the renowned bloggers and marketers from the world over, like Smartblogger, Neil Patel, wpbeginner, ProBlogger, CopyBlogger, Moz, and so many others who continuously rake in big moolah through their blogs. You will find a lot of relevant information in this book. What you won't find is technical mumbo jumbo that will make you rethink your decision to start your blog. You will quickly realize that starting a successful blog is anything but complicated. And trust me, the journey will be more fun than a pain in the ass. Here
