What I liked the most about the book is that it motivates and inspires you. The author gives you some homework and you will appreciate the value of the book right at the moment you start doing the first homework. Ilian Yankulov, Freelancer Project Manager, working remotely for a Danish Digital Agency. This book is the direct result of Diana Marinova's extensive experience as a freelance marketing consultant and the many questions she receives on a daily basis from the fellow freelancers who read her blog. What experience do you ask? She has completed more than forty freelance projects. She is a top-rated freelancer on Upwork, formerly oDesk, with 6,500 paid hours and even more if counting the hours spent working on fixed-price jobs. Clients continuously rate her work with the maximum review rating of five stars. Today she fully enjoys the freelance lifestyle, traveling the world while making a good living working online. Her market rates range from 40 per hour for hourly jobs all the way up to 100 per hour when working on fixed-price projects. And she sure made a lot of mistakes early on in her freelance career. For example, she was selling herself short when working for as low as 7 per hour during the first few months. Don't make rookie mistakes when you can learn from hers. Download the sample of the book and see what's in it. But be warned: this book is not a silver bullet for success. You have to roll up your sleeves and work hard to achieve your goals. If you are committed to succeed, this book is everything needed to kick start your freelance practice on Upwork, formerly oDesk. Diana tells her story while also walking you through all the steps needed to lay a solid foundation for your freelance business on Upwork. In the end of each chapter, she includes action items, aka homework assignments, to help you put all tips in practice right away.
