Python beyond Python Paul N. Reinsch, B. Lynn Whitfield, Robert G. Weiner, 2017-07-14 This collection of original interdisciplinary essays addresses the work of Monty Python members beyond the comedy show films and live performances. These men are prolific creators in a variety of artistic realms beyond the confines of the comedy troupe. Their work as individuals before and after coming together as Monty Python demonstrates a restless curiosity about culture that embraces absurdity but seldom becomes cynical. Python members collectively and individually create unique approaches to theatre, film, video games, comic books, business training videos, and more. Python Beyond Python increases our understanding of this often neglected work and the meanings of Monty Python. Focus On: 100 Most Popular English Male Comedians Wikipedia contributors, **Monty Python** Douglas McCall, 2013-11-26 A chronological listing of the creative output and other antics of the members of the British comedy group Monty Python both as a group and individually. Coverage spans between 1969 the year Monty Python's Flying Circus debuted and 2012. Entries include television programs, films, stage shows, books, records, and interviews. Back matter features an appendix of John Cleese's hilarious business training films, an index of Monty Python's sketches and songs, an index of Eric Idle's sketches and songs, as well as a general index and selected bibliography. *A Liar's Autobiography, Volume VII* Graham Chapman, 1980. *Autobiografie van de in 1989 overleden Monthy Pythonacteur* Chapman.
